ANITA

I'll tell you a secret. I keep a sex toy hidden in my closet. I don't bring it out till I'm sure I'm alone. My dildo smells like me. I clean it after I use it each time, but faint traces of my little pussy stay behind, and it turns me on. Is that weird? My dildo reminds me of a real cock, of course. I want to fuck it, make love to it, and show it the best time ever. I think of it like softball practice—only this is fucking practice. Some day I'll meet a really sexy guy, and I'll knock his sweat socks off. I lube up the fake cock in my mouth. My spit makes it all shiny and slippery. I tease the opening of my pussy with the head of the dildo.

Anita
may be keeping
her virginity,
but this slut
ain't pure!

My pussy is damp already with anticipation. I can't wait. But I'm going to. I like to stretch it out, make it take a long time. I lower myself onto the toy, inching it deeper and deeper. I want it all now. I want to feel a hard, red-hot cock pounding my soft cunt until I cream all over it. Until then, my trusty dildo will have to do!

Panty Raid

POPPIN' CHERRY

Alan is this poor guy that works for my dad. He looks like he used to be hot but he has just taken it outta him, which is why I take any opportunity to tease him. I like to think of it as charity work, because what guy doesn't want an 18-year-old chick flirting with him? I walk in to my dad's hot-tub business wearing skimpy skirts and pretend to drop shit just so I can bend over and flash Alan my ass. I know it's cruel, but I just can't help myself.

Last week I was feeling particularly nasty, probably because I'm the only girl I know who hasn't had her cherry popped yet and believe me it isn't because I'm waiting for the right guy. The opportunity just doesn't come up and the last thing I want is for my folks to find out I wasn't pure—they'd kill me. So I decided that I'd get Alan to take my cherry because I knew there was no way he'd dare tell anyone.

I went in when I knew Alan was alone, just before he was shutting shop. He looked real nervous when I walked in, but I was just wearing a short white tennis dress over a red bikini so he had every reason to be. I looked hot and the bulge in his pants told me he knew it. There was no reason to fuck around, so to speak, so I told him what I wanted.

He was on me in a heartbeat, one hand squeezing my breasts and the other slipping straight up my skirt, stroking the silky fabric covering my cooch. Incredible, I was so fucking hot, I closed my eyes as his hands roamed over my bod and made me hornier and hornier. When he slipped a finger in my panties and found my dripping hole, I started moaning. No one had ever touched me there before. Now I understood what creaming my panties meant because I was downright sloppy there.

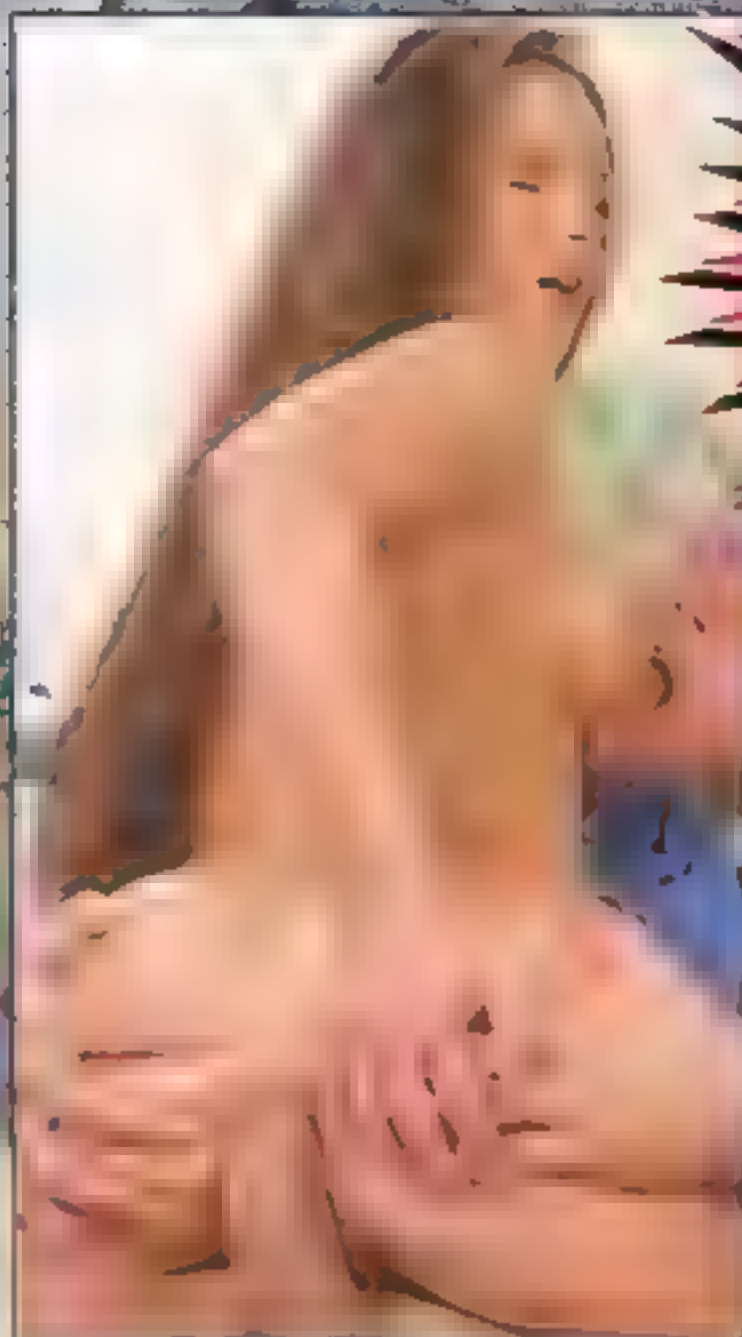

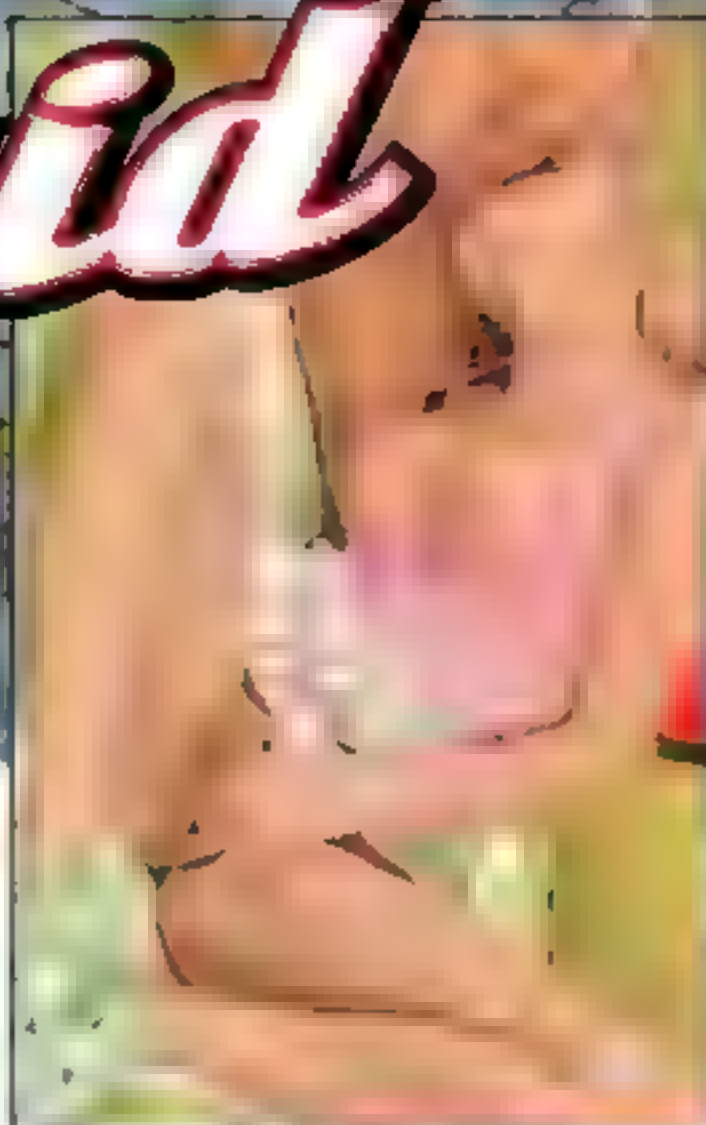

Alan put my hand on his bulge and I unzipped to get it out. I was a bit freaked out because I hadn't expected him to have such a big one. "It's okay," he assured me, "I'll be real gentle." I gripped it in my hand; it was so fat and warm. Alan groaned when I squeezed it a little bit then picked me up and lay me back on his desk.

He yanked off my pants and pushed my dress up, then pushed the triangles of my bikini aside so I was lying there half-dressed but with everything on display. He looked me up and down then got on his knees and started eating my pussy. Holy crap, I felt like nothing I'd

ever experienced had prepared me for how good that was going to feel. I guess that's when I came off for the first time. I exploded on to his tongue.

Just when I was trying to recover, he put his dick up against my pussy hole and pushed it in. It stretched me wide but felt so good. He rode slowly in and out of my hot virgin pussy, me clinging on to the sides of the desk and cursing with extreme pleasure. I never wanted him to stop but then he pulled out and shot his load all over my chest. There it was, my cherry popped at last. I can't believe I waited so long!

ASS PLAY

Me and my boyfriend Steve have dated since we were in middle school, and we've been sleeping with each other for a while.

Steve said that things were getting a bit boring and he wanted to spice things up. When he told me how, I wanted to slap him. He wanted to stick his dick in my ass! What did he think I was, some kind of ho?

Steve kept bringing up and in the end I let him talk me in to letting him stick his pinky finger in my ass hole when we were doing it. You know what, after all my fussing, I loved it. Soon I was letting him put his index finger in there and I was coming better because of it. And of course it made Steve so happy. Well, last weekend was the last one before we both went off to different colleges so I decided to give Steve a treat and let him fuck me up the butt.

Steve came over, we had the place to ourselves and we started making out. I told him to wait and pulled a bottle of baby oil out of my bedside drawer. He asked me what it was for and I said, "I want you to rub it in to my ass so you can slide your big fat dick in there." He coughed and said holy shit, then grinned from ear to ear.

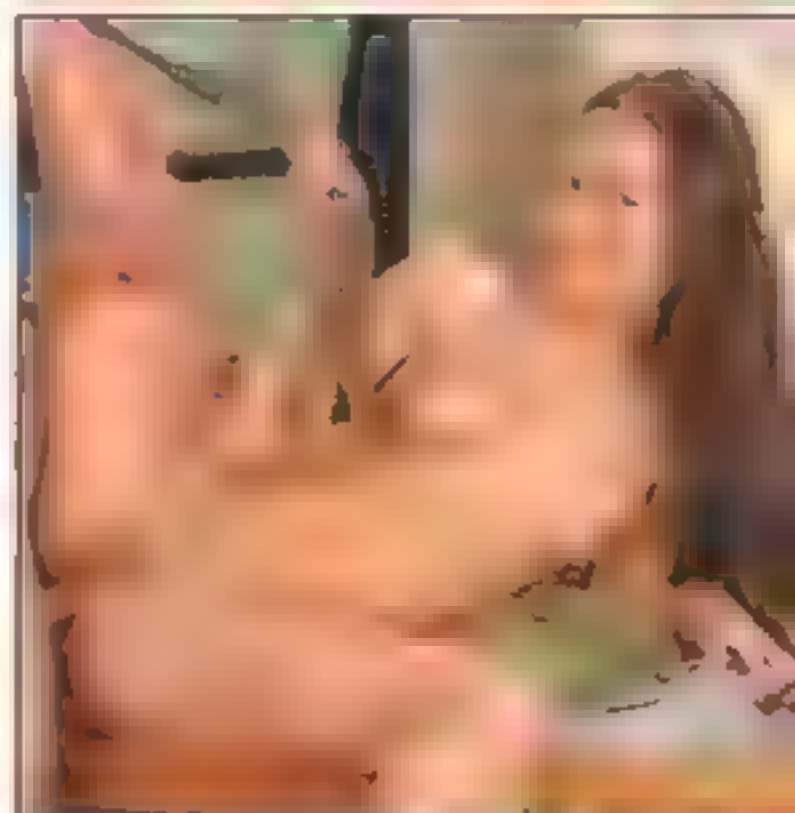

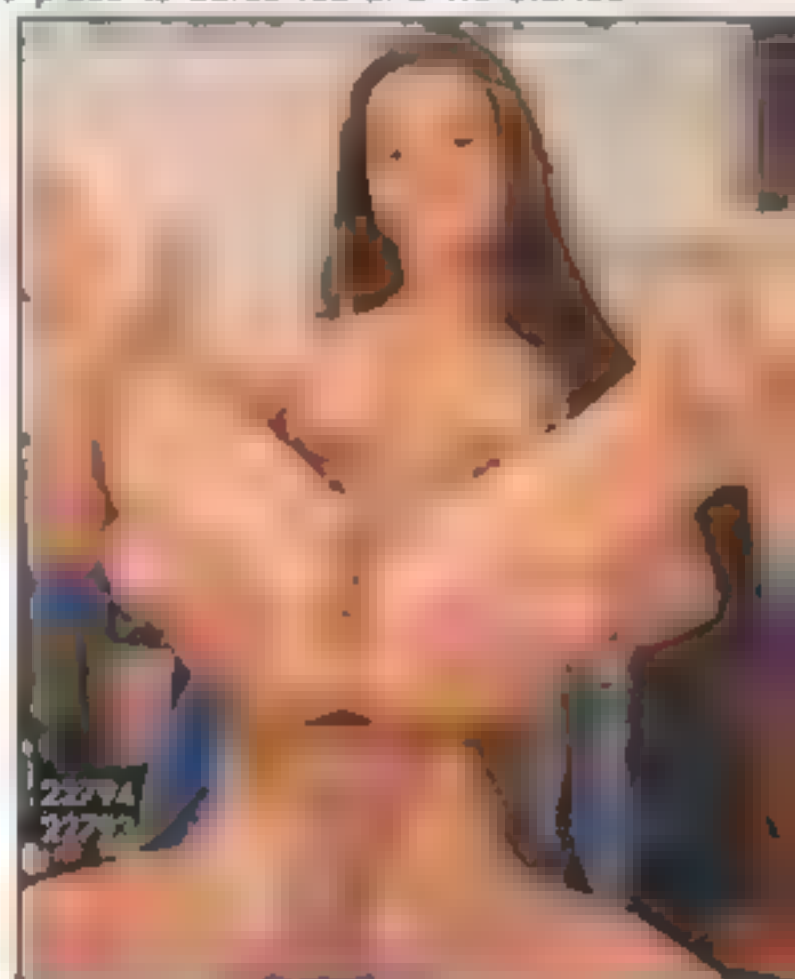

I undressed and lay on my tummy. Steve poured oil on to my ass and started rubbing it in to my pussy and butt, it felt so good, he knew he had to get me good and ready so he took his time and made sure I was really excited. Pretty soon I was so turned on that I was begging for him to do it.

He put the bulging head of his dick up against my rosebud and pushed. It popped straight in and Steve told me how unbelievable it was, that he'd never felt anything so tight and hot around his schlong. It was so intense, I was so full of dick as he eased his length up my butt. Steve had his fingers buried in my puss so I couldn't help squirming against his dick with pleasure.

Steve fucked my ass real slow, savoring every second, rubbing my clit with his big fingers so I ended up coming off against him and that made him come too.

Feeling him spurt his goo up my butt was so good, warm and yummy. I felt like such a bad girl but I knew that was the just the start of our anal adventures, I couldn't wait to do it again.

I was sitting in a rooming house when I got a call from a girl named Carla. She was acting all weird. She said she had a guy in her room and she wanted to press his cock through her pants. I went over there and pulled out his cock. She was real quick, and I didn't know what to do. I did this blowjob, teasing him and making him come. I hung on for a couple of times. I had heard that he was a good fucker, so I backed off. I thought he would have wanted if he wanted. The girl said he was a good fucker.

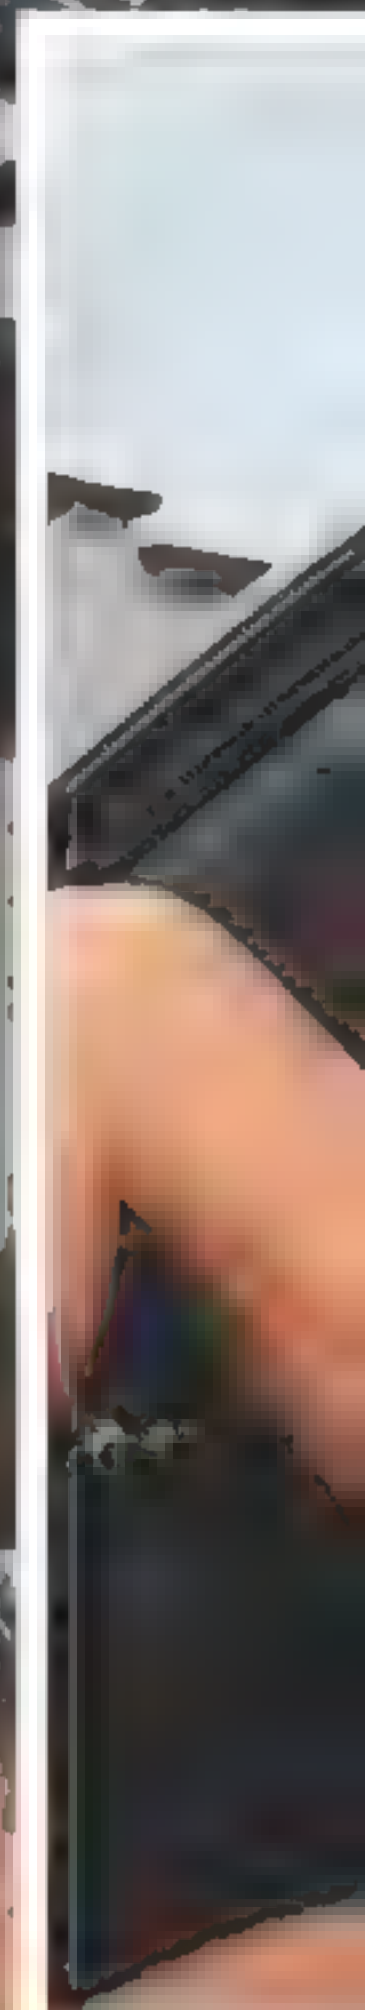

CARLA & KAMIL

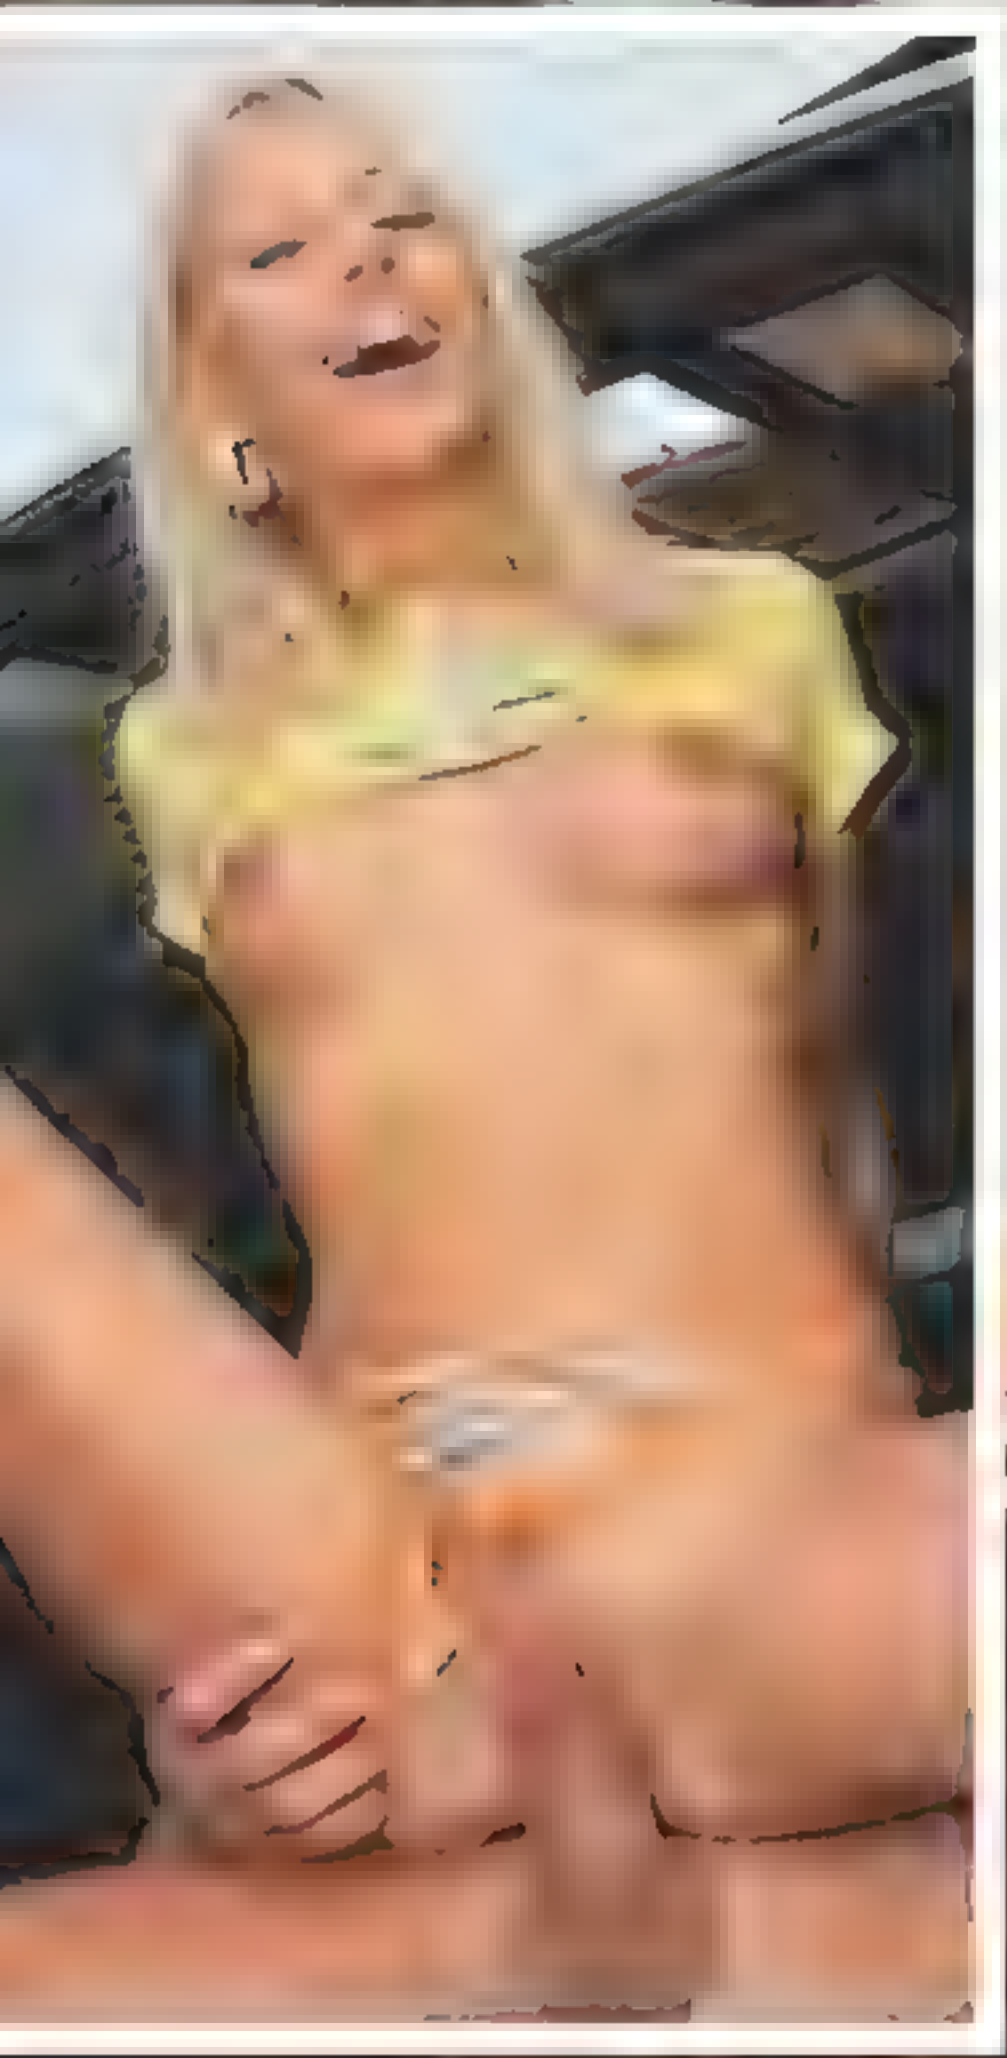

Carla just
can't get enough
bad boy dick,
maybe next time
she'll exchange
more than body
fluids!

His hand moved down my back, caressing me and dove deep inside me. He moved his hand over his face. His cock was throbbing. I loved feeling it cram me one inch at a time. He screwed me and on the car hood and never before we were done. He begged didn't have any more cum left. Then he was squirting a huge delicious load up my pussy. It was too bad I never got his name. But he sure fucked me good!

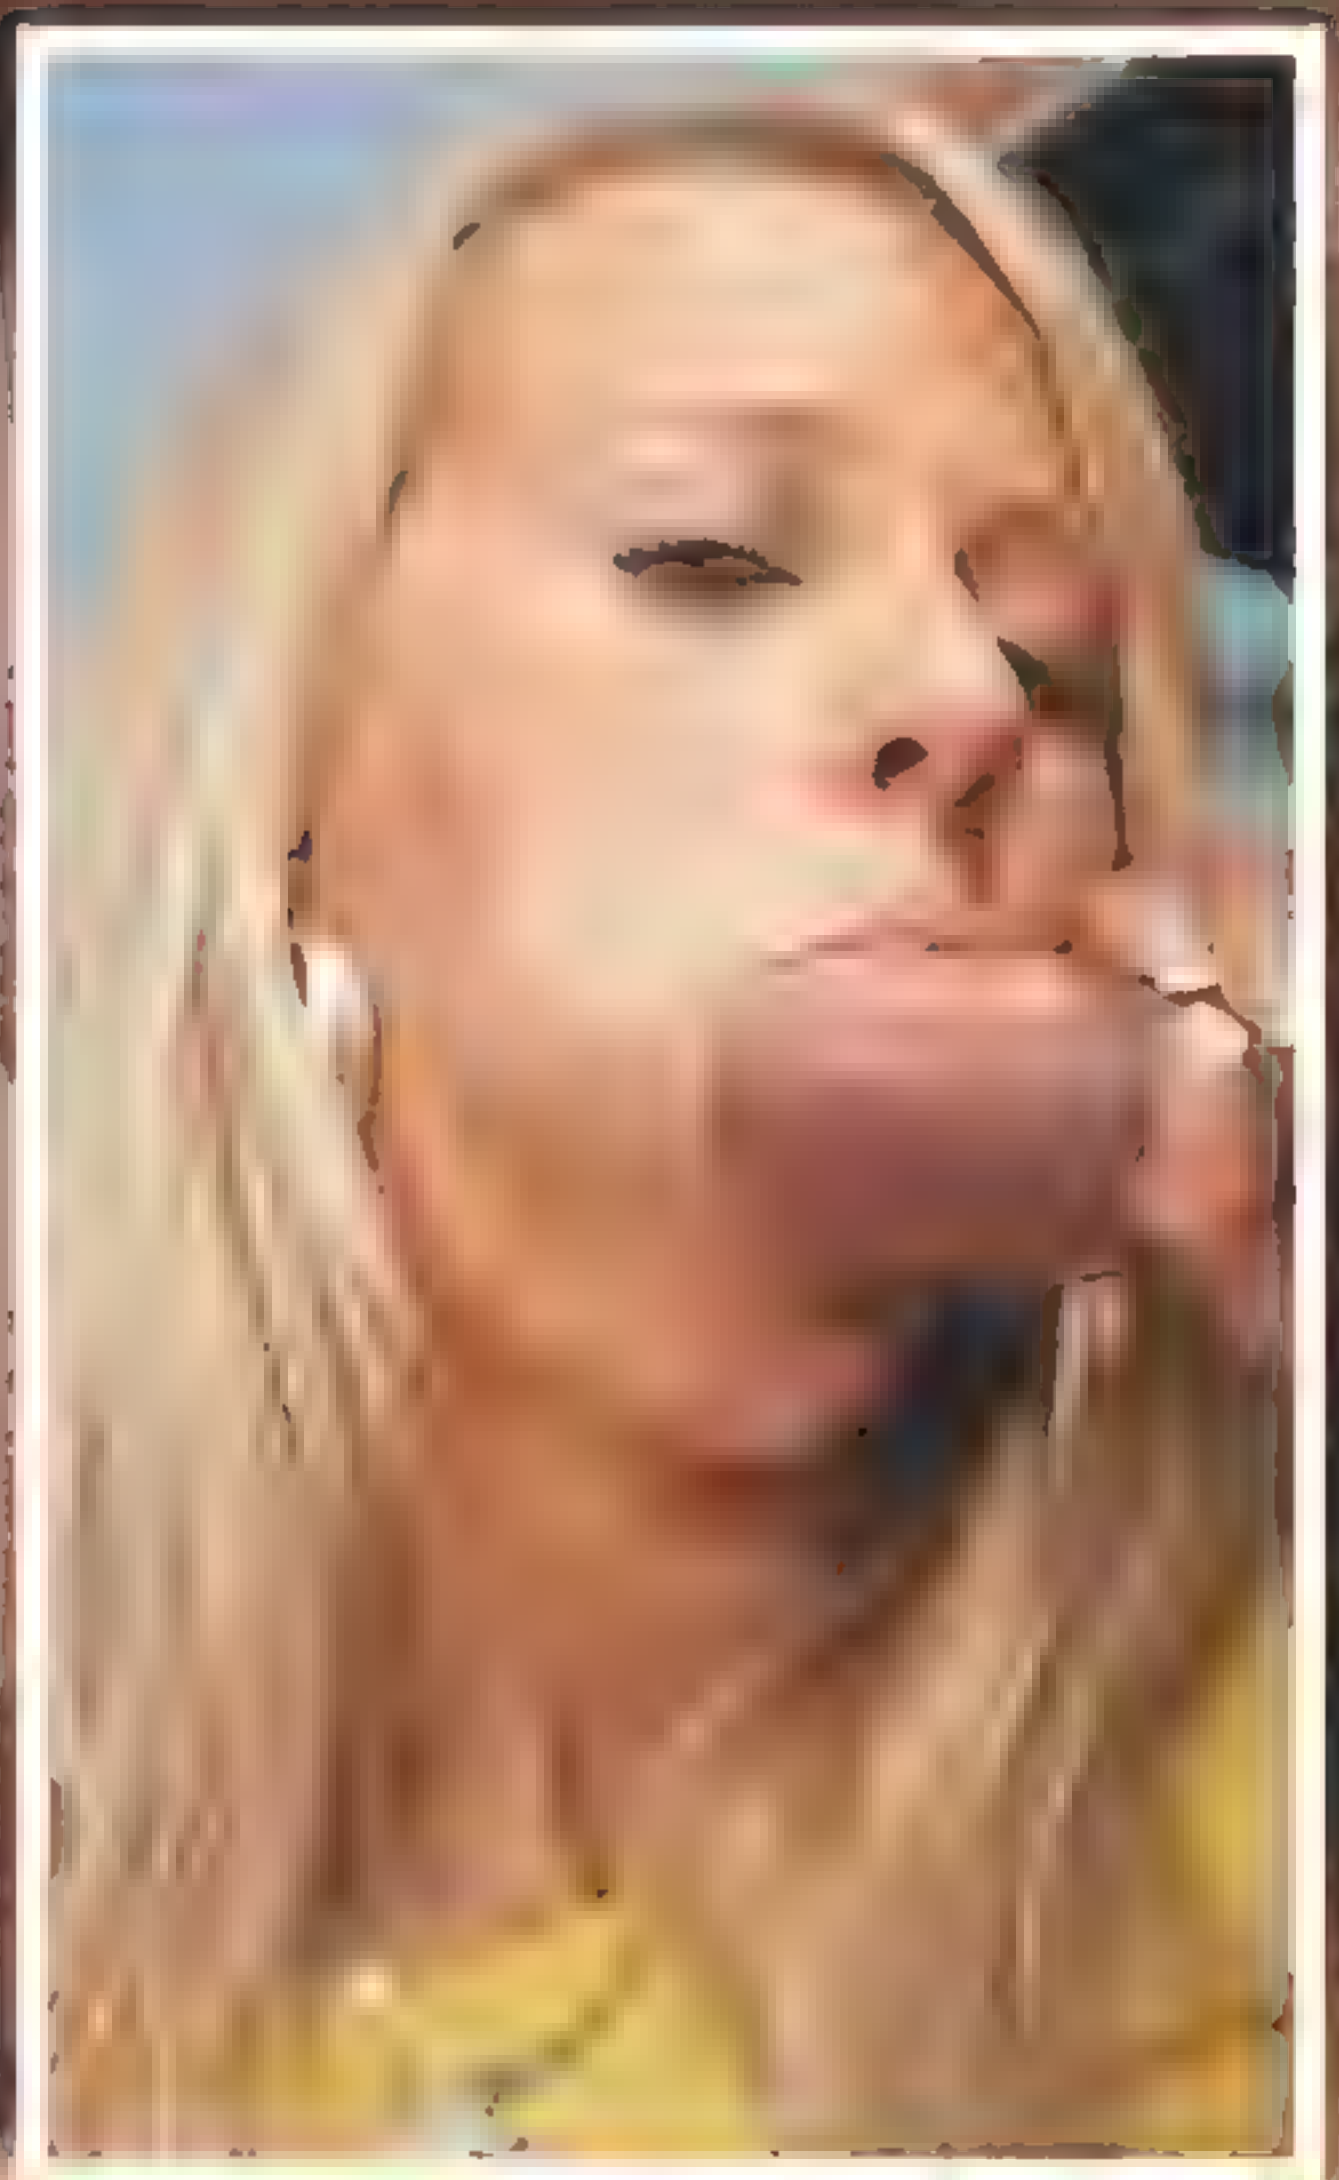

Belinda & Patricia

My best friend is so cool; she's always daring me to push the envelope, like the time we went to the mall wearing mini-skirts and no panties. At one sleepover we started playing kissing games and that led to even more touching. Peeling off our clothes, we really started getting serious and Belinda encouraged me to lick her sweet pussy. I kept my tongue stroking in and out of her pussy while my finger stroked her magic button. I also reached up and played with her nipples from time to time. She was on fire. I could feel her excitement grow. When she finally came, her whole body went rigid, then completely relaxed. Her pussy gushed white creamy stuff all over my face.

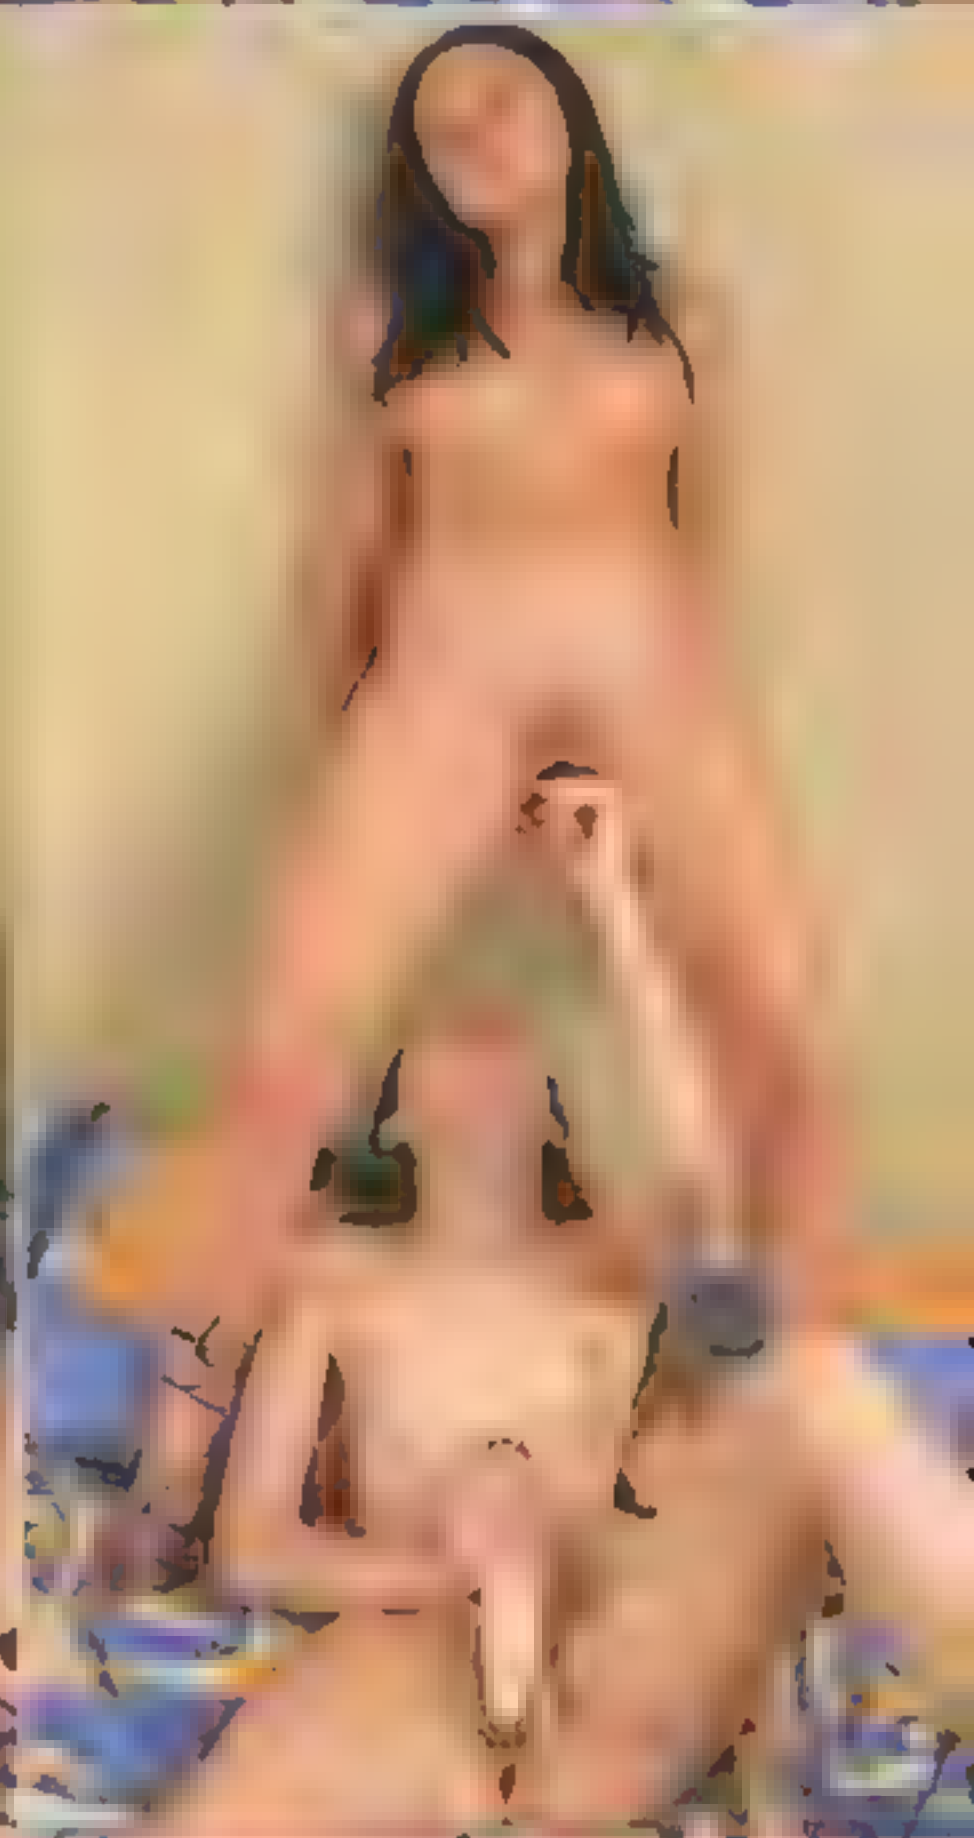

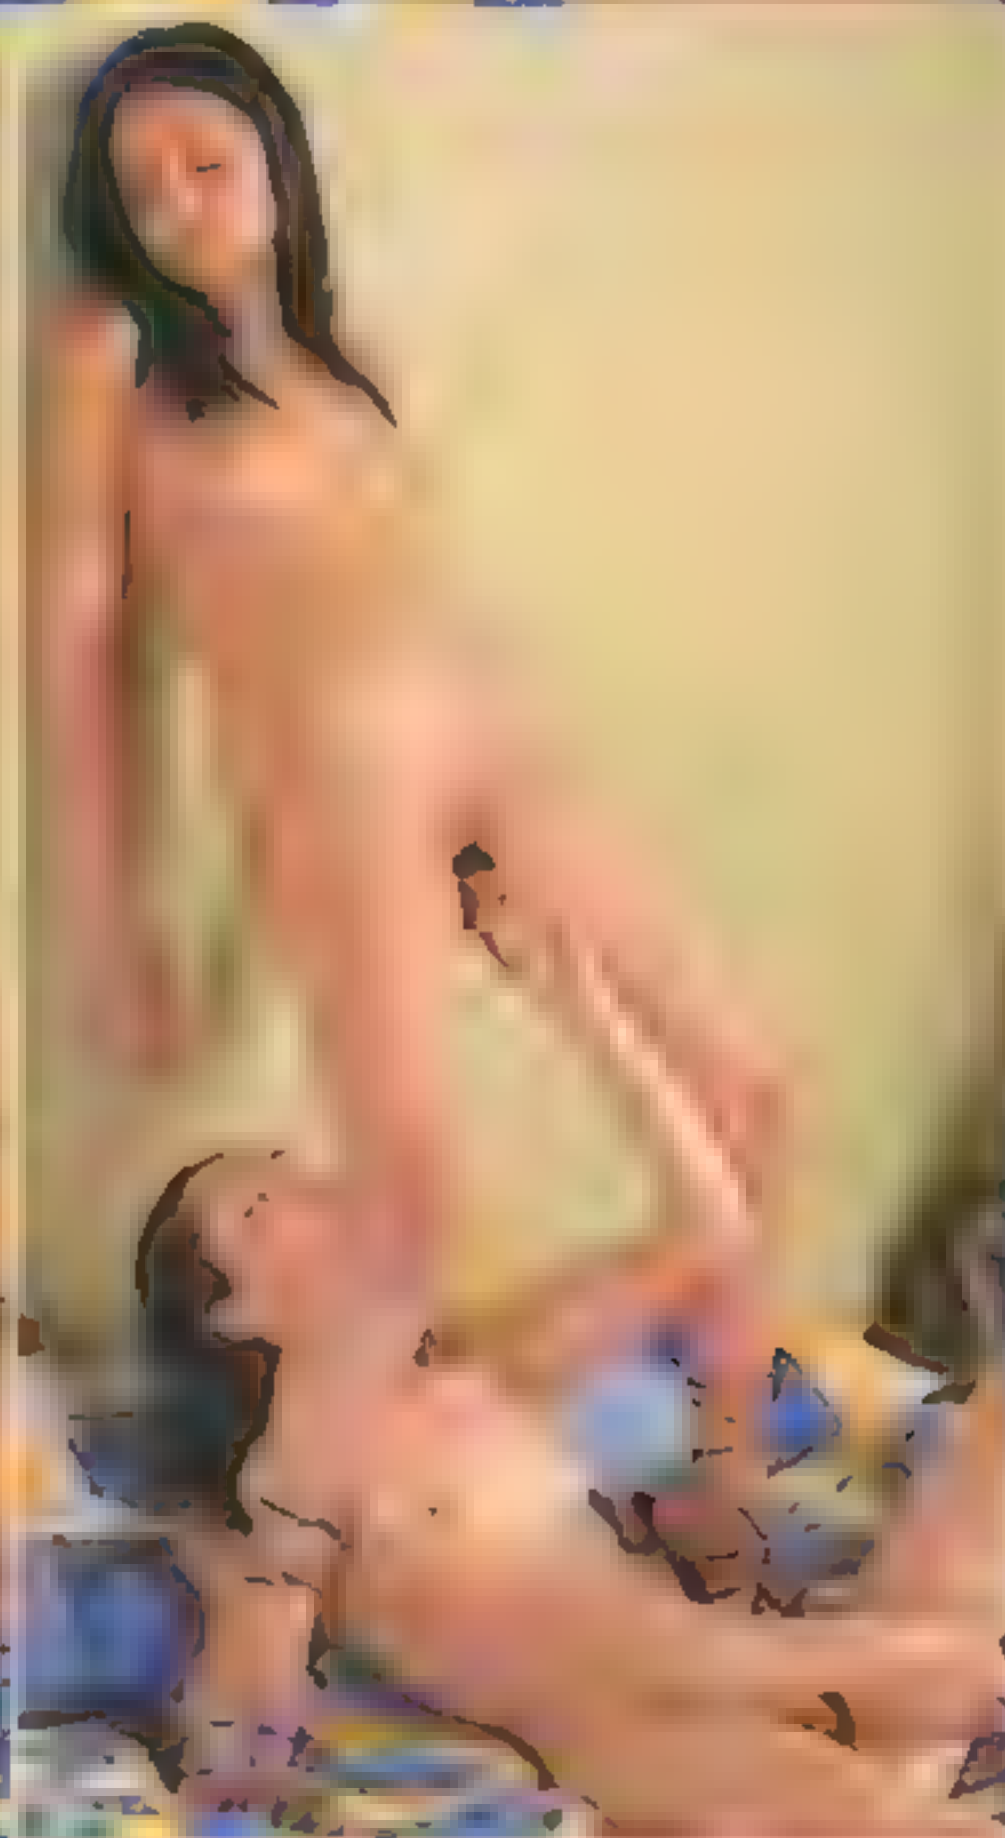

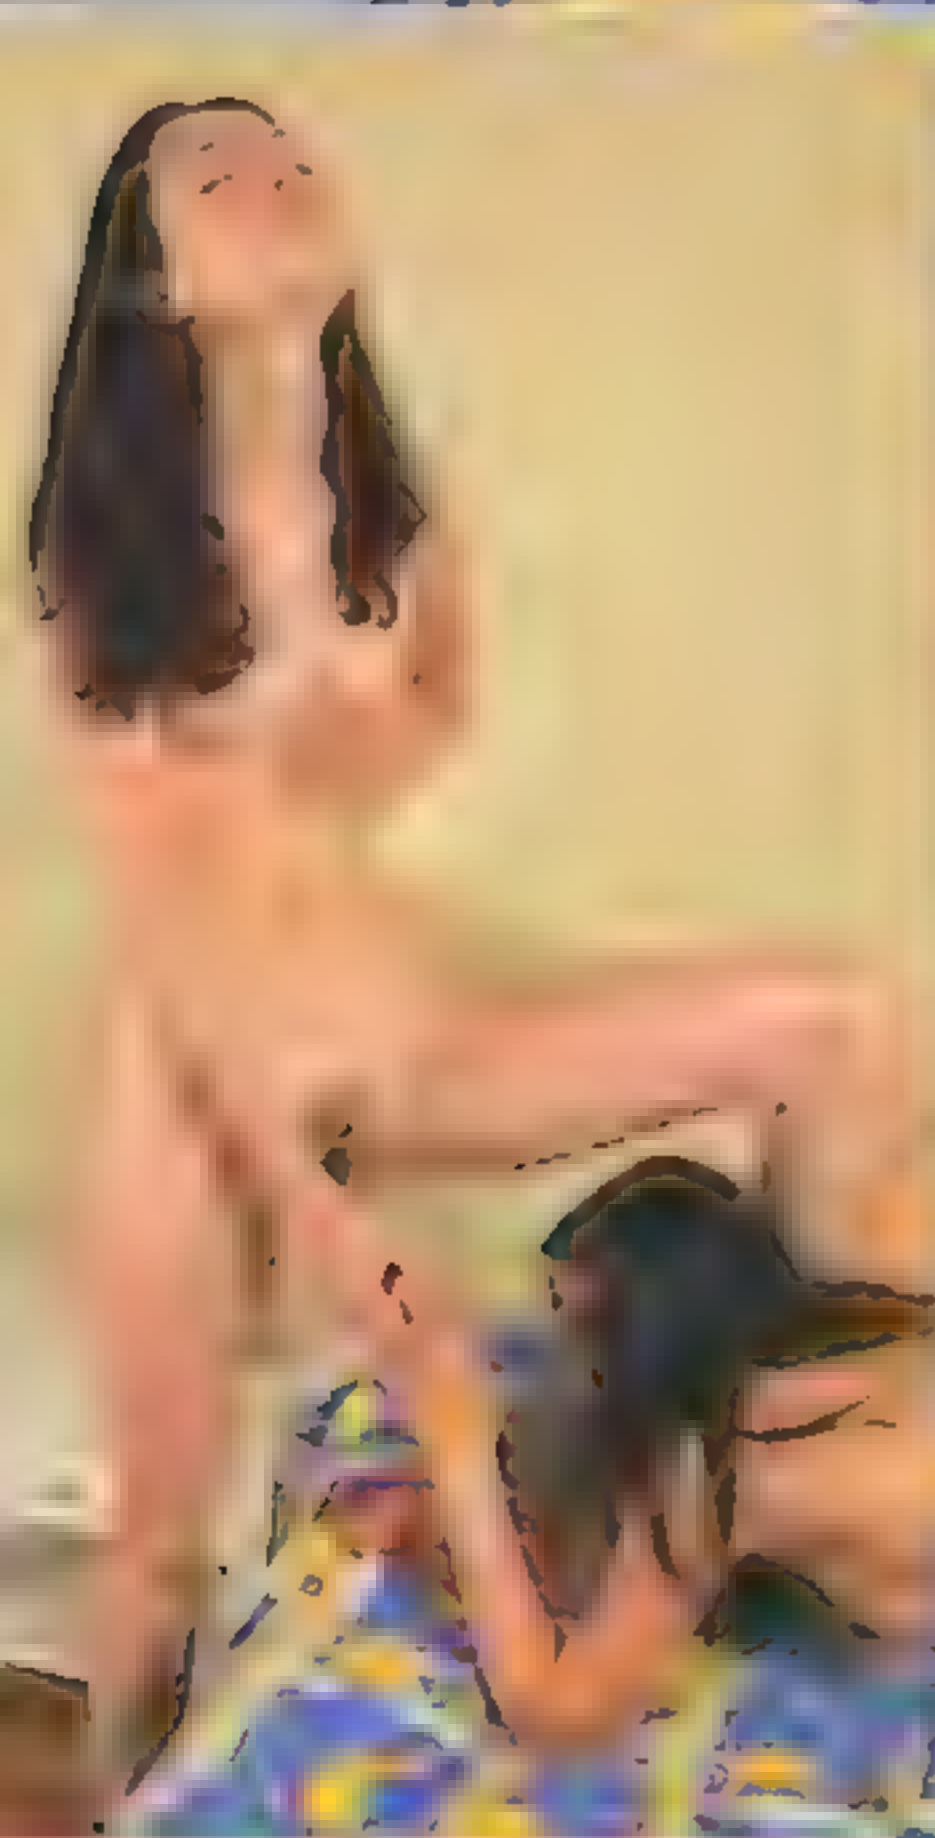

It took her a few minutes to recover. But when she did, she was twice as hot as before. She got up, grabbed me, and gave me a French kiss to end all kisses. Her cum was all around my mouth.

She licked off her own sweat juices, and shoved her tongue down my throat. Her hand found its way between my legs and she fingered my wet teen pussy until I came all over her polished fingernails. We are best friends forever!

When I was younger, I used to have certain bedtime rituals. These days I put myself to sleep by masturbating—kind of a grown-up vitamin pill! I love to touch myself all over. I tease my nipples with wet fingertips and play with my breasts by fondling and groping them. I run my hands down my body, feeling my flat tummy, my tiny belly button, my narrow hips. I love to run my fingers through my pussy hair. It makes me feel very womanly and grown up. Finally it's time to put the dildo inside of me. I love this moment. I dream about it all day long. I can't wait to get home, finish my homework, and go to bed. I work it in, one inch at a time, letting my pussy get used to it. And then it's all in. Every last inch of it. I stroke it in and out of my already-dripping pussy. I fuck myself for a long, long time. Finally I have this gigantic orgasm. It's the nicest feeling ever. Now I can go to sleep. This is absolutely the best way to end the day!

Hey Jenny,

I've made a discovery about myself. I am an exhibitionist. I love flaunting my sex in front of men, getting them so hot they can't stand it.

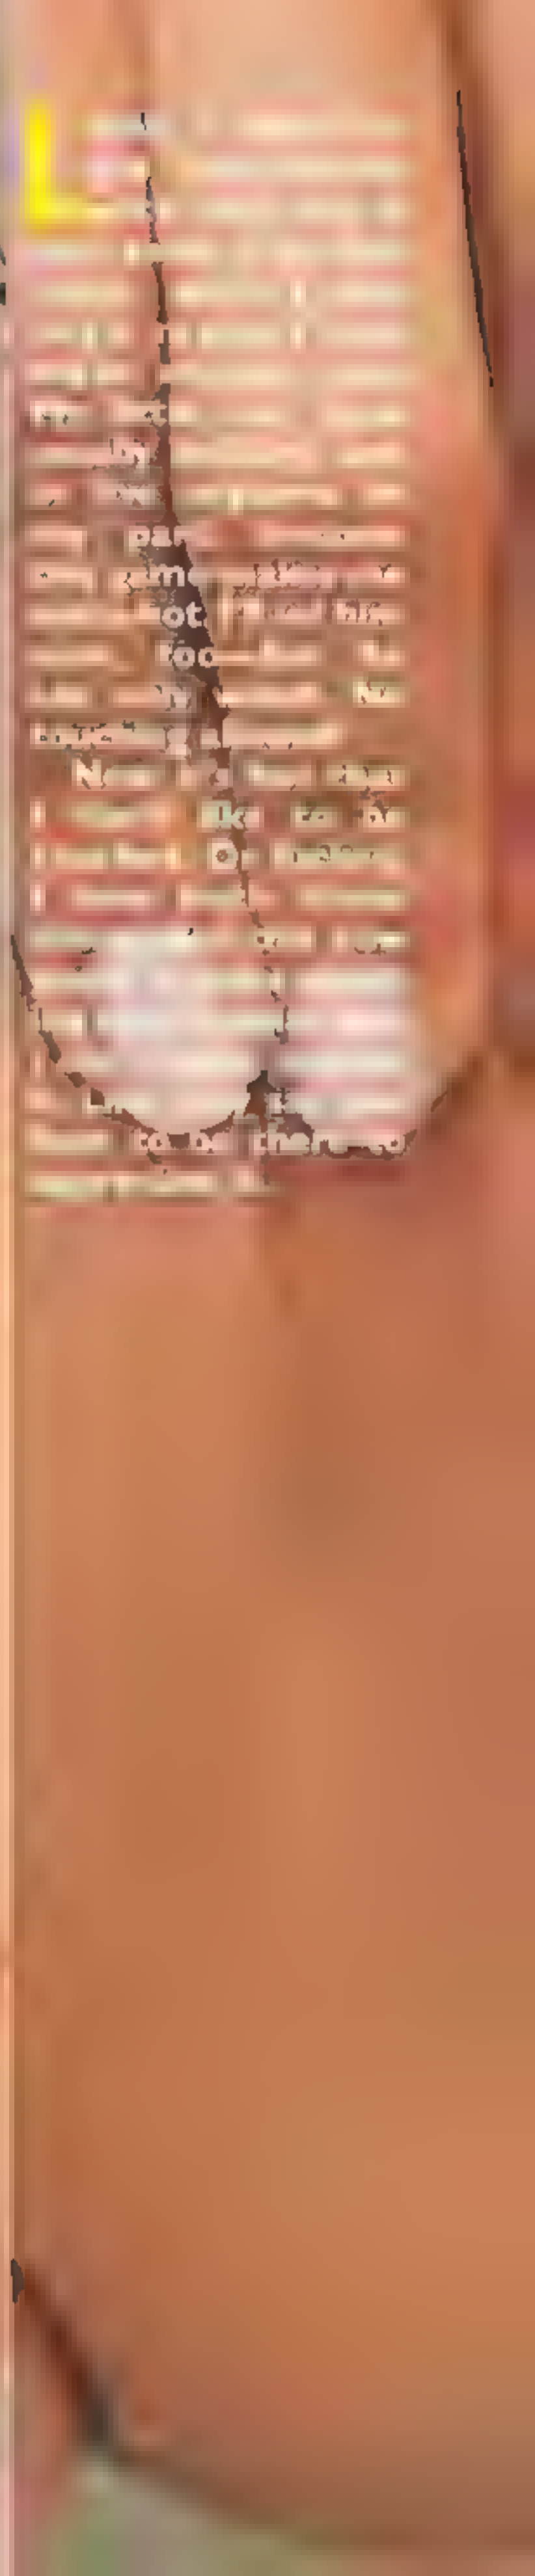

And I have discovered something else, too. I'm a little bit kinky. Okay, a lot kinky! Here's how I tease guys. I show off my legs, my butt, my breasts in any way I can. Bending over lets my skirt slide up my ass. Or I sit down and ever so slowly spread my legs. If he's got good eyes, he'll catch that damp spot in my panties. I wiggle when I walk, and toss my hair. Then, I make eye contact and smile.

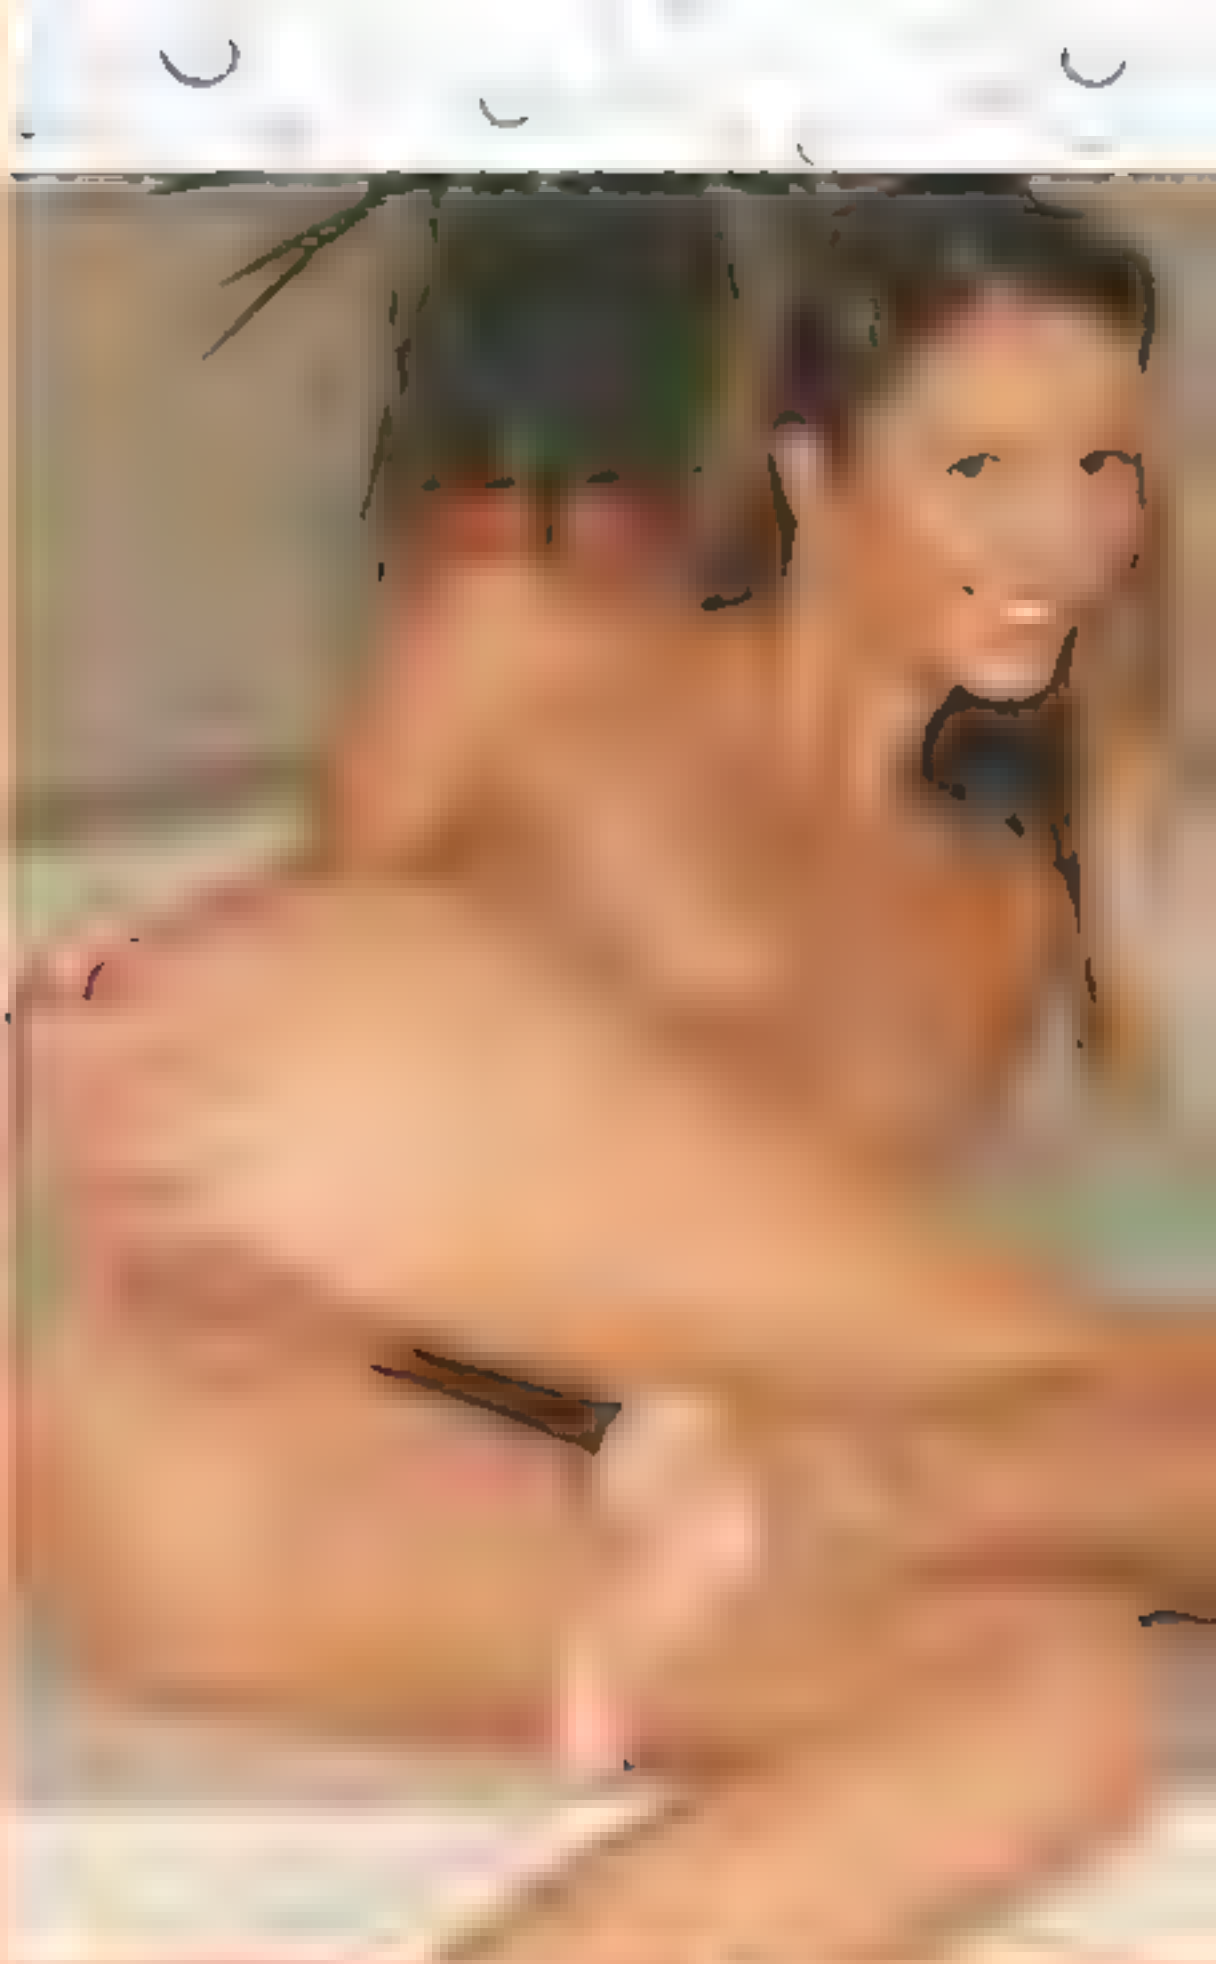

Britney
sure is some
kind of cock

the guys eat
it up!

CELINE

My bisexual suitemate Jill and I fooled around more than once and now I think I'm a closet lesbian. Jill came in my room one lonely weeknight and after some initial awkwardness we started kissing and rubbing each other. So when I went down between her legs the second time, I took my time and paid attention. I covered the insides of her thighs with little wet kisses, finally landing a big one on her clit. Then I started to suck on her clit, first easy, then hard. I sucked even harder on her joy button, making it really big and excited.

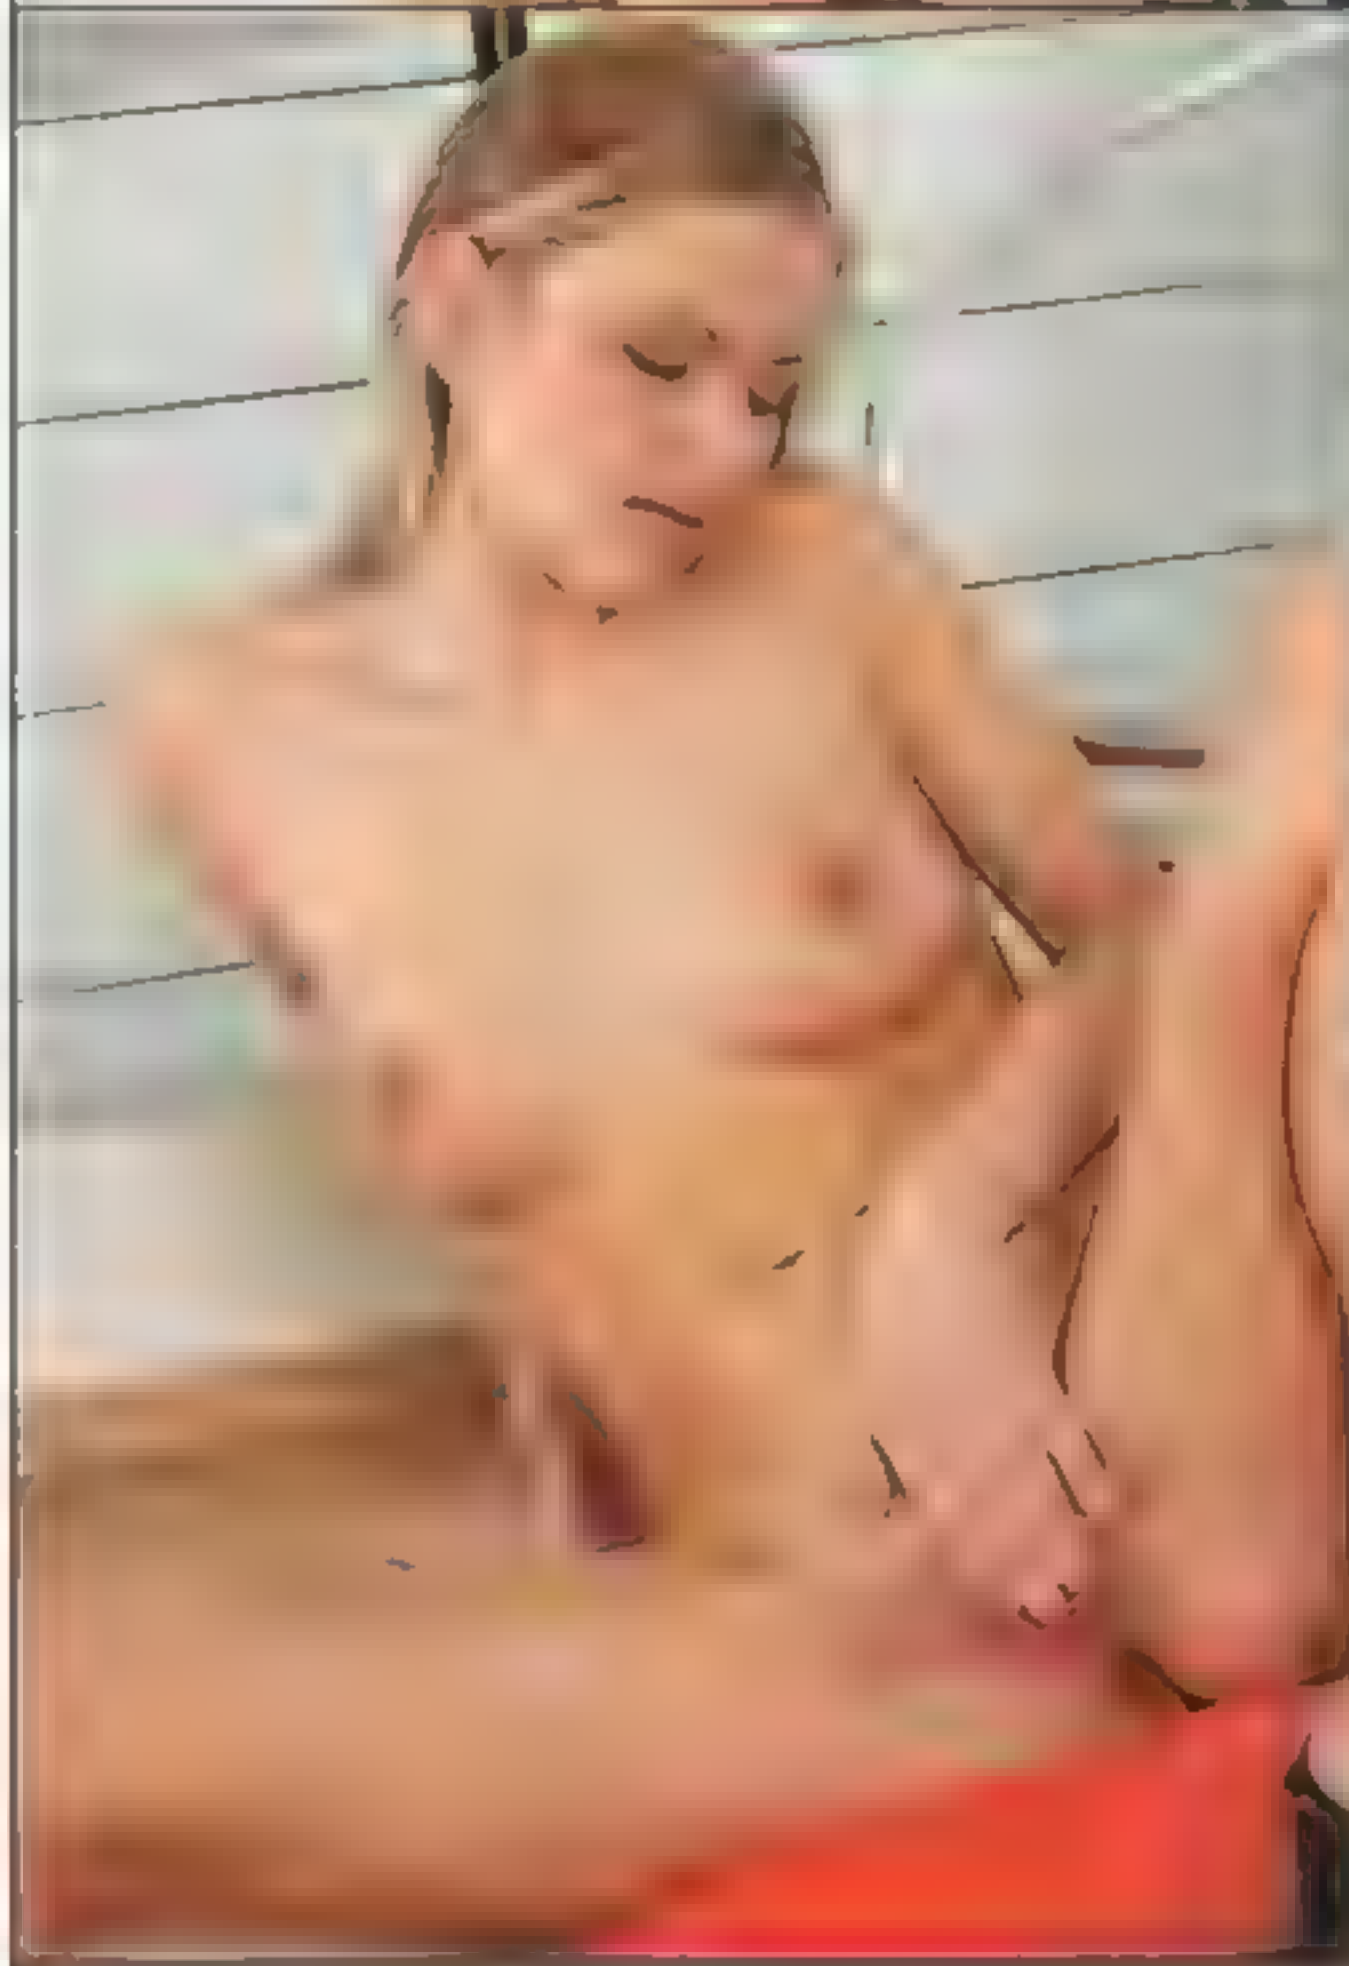

A woman with long blonde hair is sitting on a wooden surface, possibly a bed or a bench. She is topless and looking towards the camera with a slight smile. She is holding a pink vibrator in her right hand. The background is a plain, light-colored wall.

Then I slid my tongue south and stuck it in her hole. Her legs parted for me, all by themselves. I started tongue-fucking her deep then. I held onto her thighs as I dove inside her pink tasty hole again and again. She tasted so sweet. I wanted to make her really truly happy. I continued eating her out, but also rubbed at her swollen clit with my finger. Her pussy cream tasted so sweet, I think I'm addicted. What will my boyfriend think?

Linda & Bob

The second I saw Bobby at the frat party I knew his cock would be inside of me soon! After some heavy flirting, I asked him to show me his bedroom. I was coming on to him so strongly that it didn't look like we would make it there. I wanted to suck his cock right there on the stairs. He glanced around wondering if there were any other frat brothers in the house right now, as I wasn't going to let him think about it too long. My grip through his trousers had already made him rock hard, and now that I had his pants unzipped and his cock out, there was no stopping me. I swallowed his cock down my throat in her mouth and moaned with pleasure. The frat boy didn't know whether to cum or go blind. Finally, he had to fuck me! I rode his cock like a jockey and he shot his load deep into my tight slit. I love college!

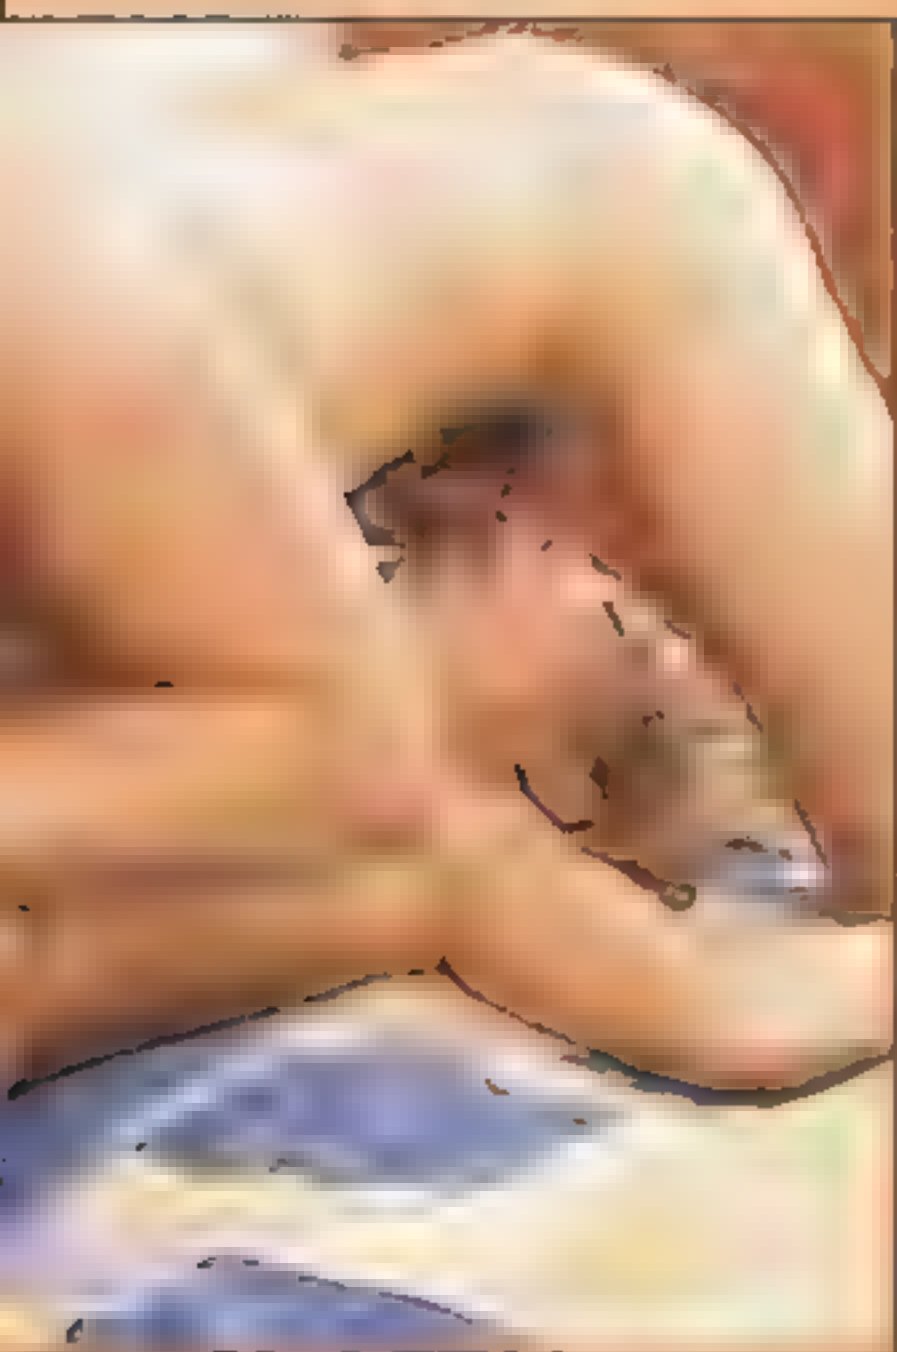

Every girl has a soft spot, Linda has a weakness for thick meaty cocks!

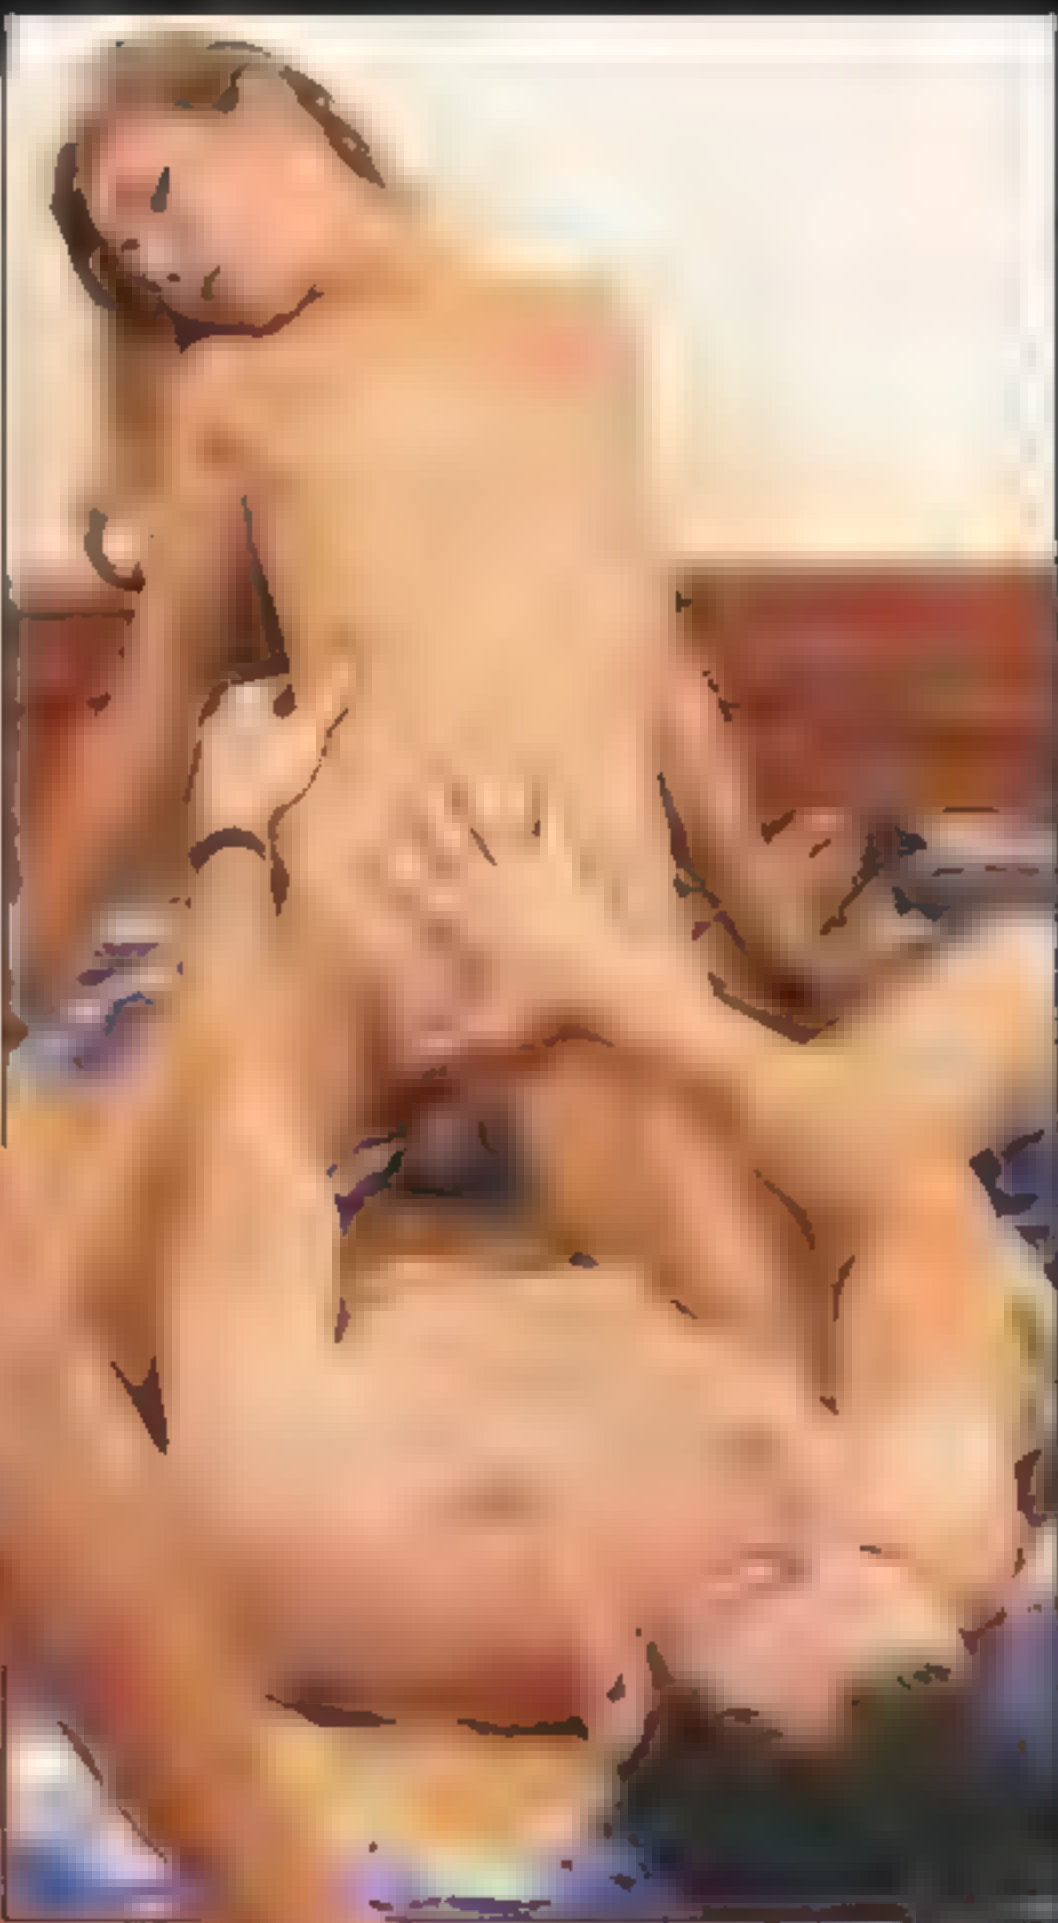

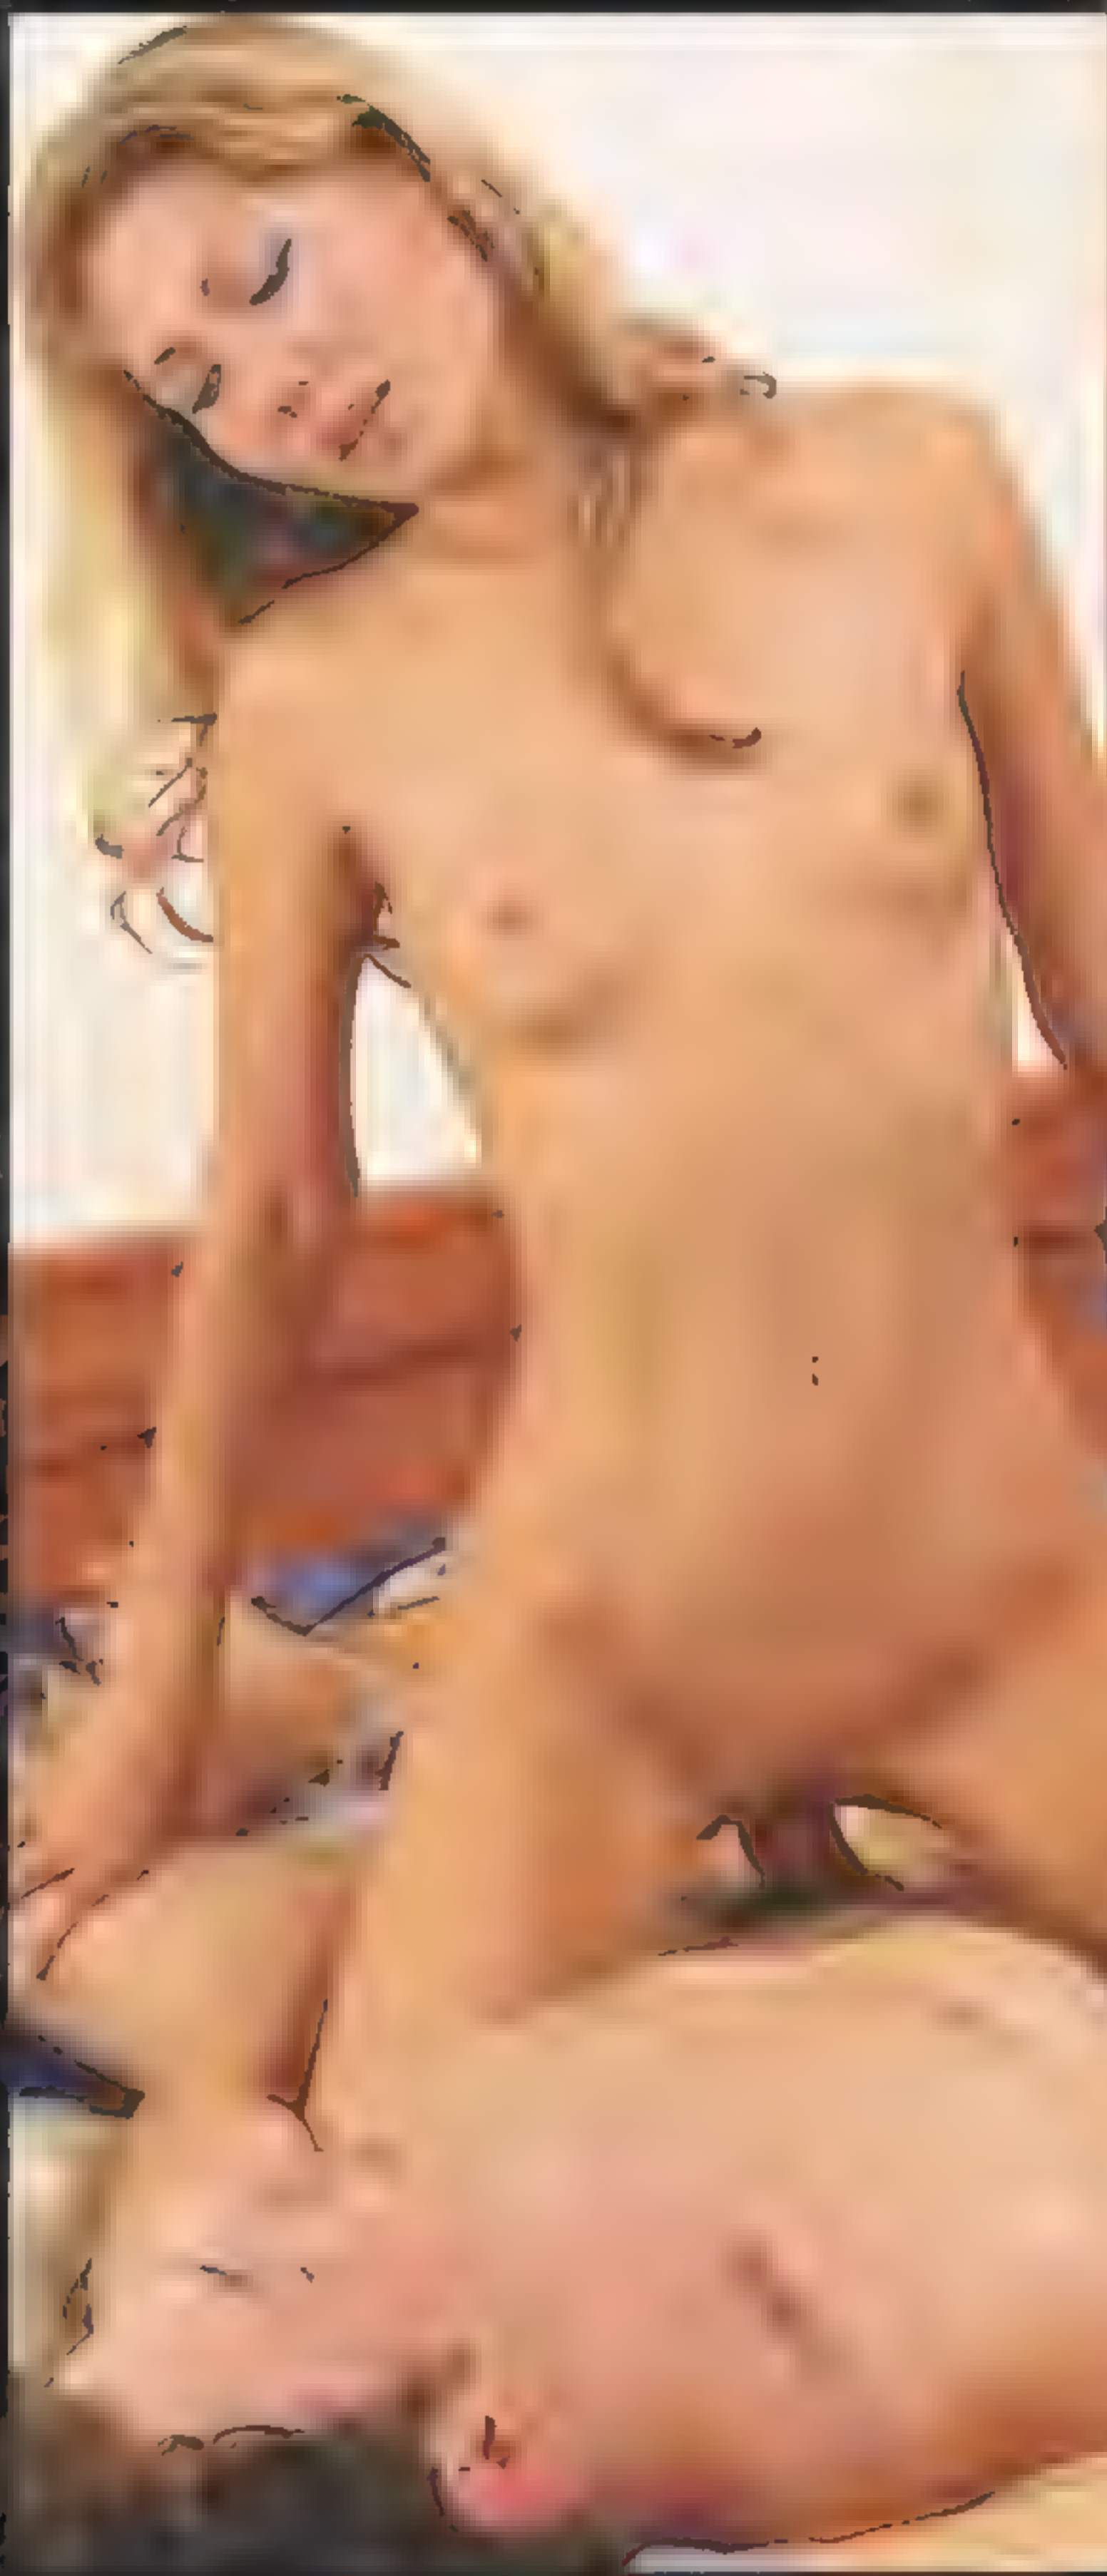

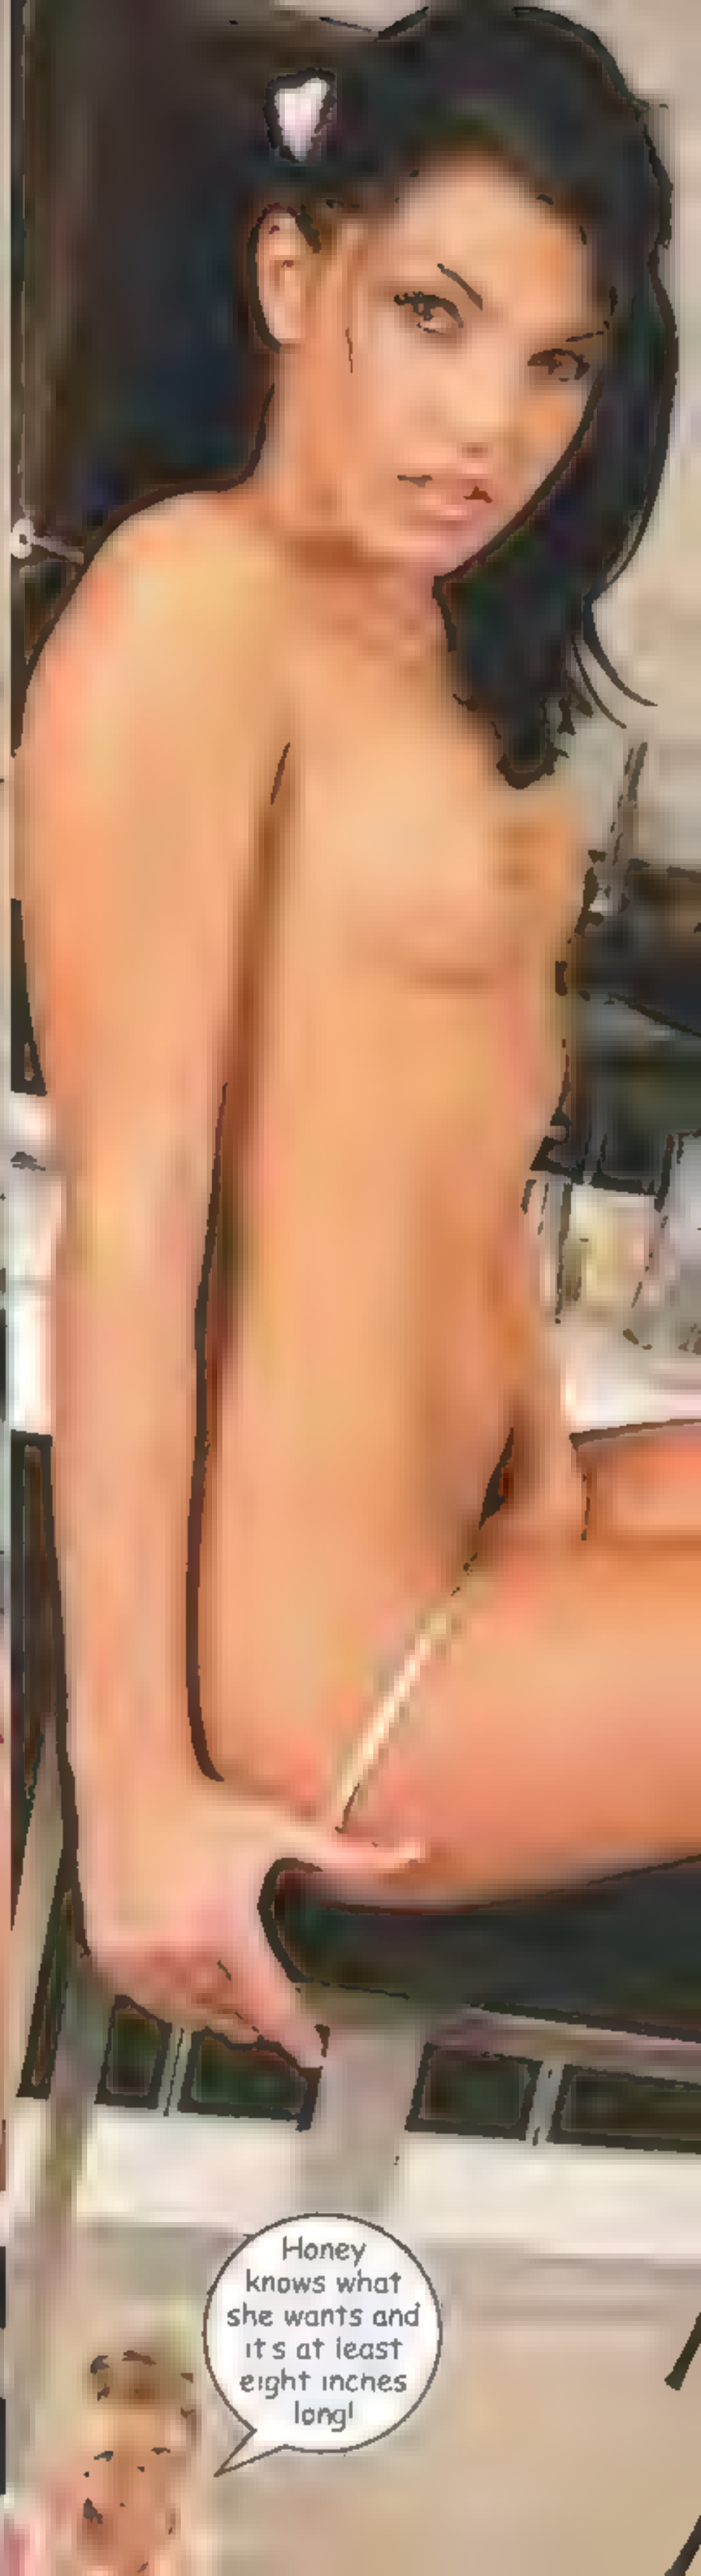

Honey knows what she wants and it's at least eight inches long!

HONEY

Honey isn't ashamed to admit that when it comes to cock, she is a size queen. Looking at her barely legal and toned frame one may be tempted to guess she's afraid of a thick cock breaking her in two. Standing just one delicious inch over five feet tall, Honey packs a particularly tempting collection of curves in her compact body. The 19-year-old sex machine sucks and fucks as good as she looks. The first guy who ever did me had a really big one! she says with a smile.

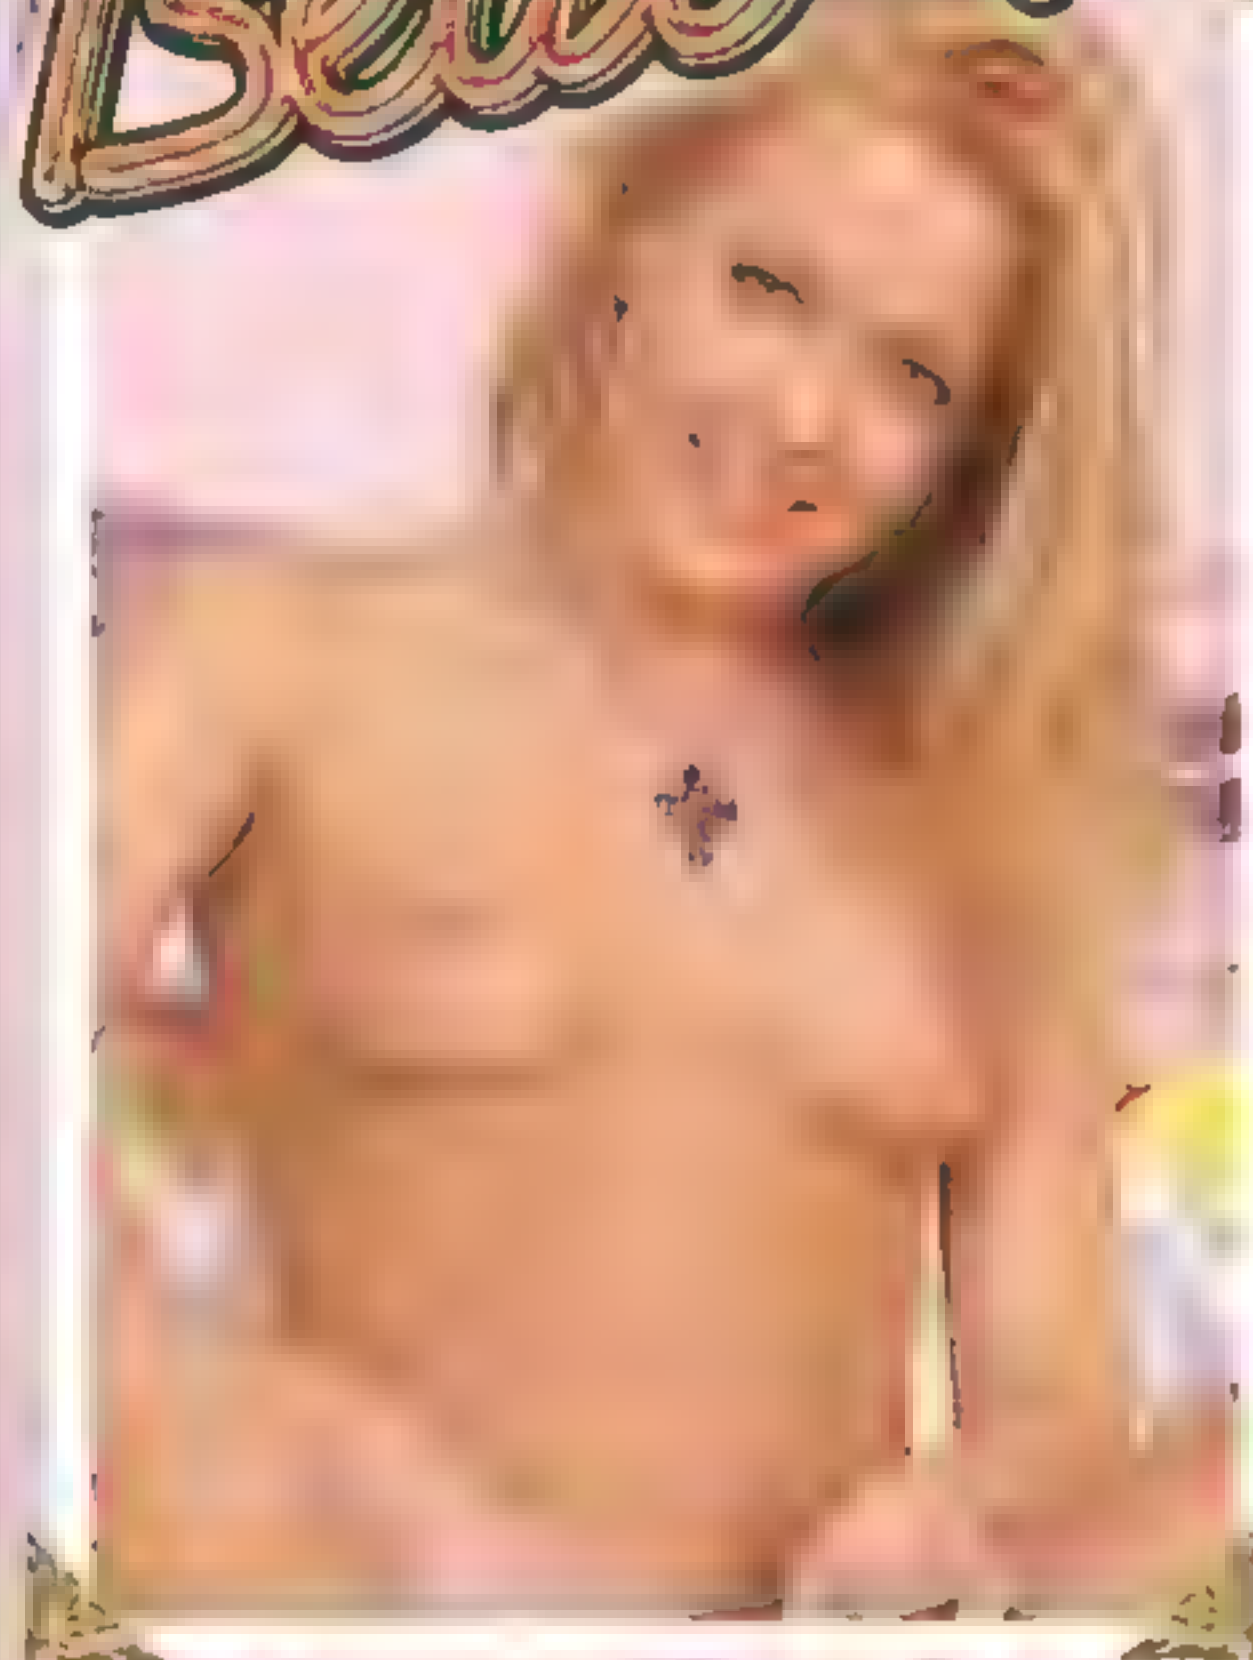

...ren't even sure all of it would even be for me all the way
inside my whole pussy but once he broke me in it was a perfect
fit. Ever since then, just thinking about an extra big dick gets
my pussy totally dripping-wet! And if I know a guy's got a big one
I'll do whatever it takes to get it! Shhh don't tell, but I'm such a
tease and even hooked up with my best girlfriend's step dad!

Beat The Heat

It was only spring break but already it was too damn hot, and I was so bored. I was sat at home watching trashy TV in a silk shirt and panties when the doorbell rang. I looked through the spy hole and saw that it was one of those church boys in a black suit and a nametag, Aaron, his said. He wasn't fugly, and like I said I was bored, so I opened the door dressed just like I was.

"Can I interest you..." Aaron started to speak then his jaw dropped open and I saw him take a very un-holy sneak at my litties, which were straining against the thin white cloth of my t-shirt because I was pushing them forward at him.

"Sure, come in," I said and as he stepped inside I swung the door shut and gestured for him to take a seat on the sofa. I sat down opposite him, cross-legged so that he could see the pink triangle of my panties clear as day.

"So, what is it you wanted to talk about?" I asked him.

"Err," was all he could say, he just couldn't stop staring at me. I tried not to laugh as he loosened his tie and turned red.

"Talking is boring anyway," I said and decided that I knew just how to ease my boredom. I stood up and pulled my t-shirt over my head, my perky d-cup titties bounced in front of him and then settled. Aaron looked like he was going to try and make a run for it, but I grabbed his hands and put them on my breasts. My nipples were hard as stone and when he squeezed my titties I felt a warm droplet run out of my pussy.

I climbed on to Aaron's lap and felt him hard dick poking through his black dress pants. I wriggled my butt around on his lap, with him still squeezing my titties. It was like his hands were frozen on to my breasts and apart from squeezing them he was still as a statue. I wanted to provoke him in to reacting, so I kissed him, poking my tongue in to his mouth.

Finally he responded and started kissing me back. He put his hands on my butt and flipped me over on to the couch. It was like I had unleashed something in him. He kissed my breasts, taking my nipples in to his mouth, rolling his tongue over them and nibbling at them. I cried out, I was so turned on; I totally didn't expect him to get so passionate.

My eyes were closed as I let him kiss and paw at my titties, feeling his hardness against my thigh.

Aaron raised his head from my chest and asked me if I was a virgin. When I told him that I was he was really surprised and I don't think he believed me. "I'm not going to fuck you," I said, "I'm saving myself." Aaron looked annoyed until I told him I knew how to suck cock, that I loved sucking cock.

Aaron took off his shirt and unzipped his pants, then sat back on the sofa. His dick was just standing there all proud and ready for action. Aaron had a nice dick, seven thick inches with a big purple plum of a head. I got down on my knees before him and slowly lowered my lips to the tip of his dick. I blew gently over his dick-head and he groaned, and then put his hand gently on the back of my head.

I waited a few seconds for effect then took that plum in my mouth and sucked. I locked eyes with him and slowly took him deeper in to my

mouth I inched my way down his knob and flicked my tongue around his shaft as I went. I knew I was good at giving head, the two guys I'd done it to before had both said I gave them the best blowjob they'd ever had.

I wrapped my hand around the base of his dick and gave it a squeeze, gently pulling it as I sucked my way up and down. Aaron's fingers were wrapped tight in my hair and I liked the way it pulled slightly with every move. "I can't believe we're doing this," he said. I just kept sucking, concentrating on making this the best blowjob this church boy was ever going to get.

I was so turned on it was dangerous, when I got like that I didn't care about staying a virgin anymore at all. My pussy was throbbing. I had to touch myself. I put my free hand in my panties, geez it was a wet slippery mess in there. I pushed my thumb against my button and rubbed it, feeling myself getting even more juicy for my efforts.

I upped the pace, running my pussy harder and harder, sucking at Aaron's length faster, working my hand in rhythm and feeling him pulse against my tongue. I knew I was going to bring him off and I wanted so bad to taste him, to swallow his cum. I took him as deep in to my throat as I could, so deep that his knob hit the back of my throat. I felt his balls jump against my hand and he cried out loud, "Oh fuck, oh fuck." My mouth filled with his salty cream and I swallowed it all back. I raised my head, licked my lips and smiled at Aaron. "Good?" I asked.

He smiled and nodded.

"Now do you want to make me feel good?" I asked him. I thought I was going to have to give him a lesson in how to please a woman but he obviously wasn't as innocent as I thought. He got down on the floor and laid me back, pulled my legs apart and ripped my panties off before he slipped one of his big fingers deep inside my puss. "Oh yeah," I moaned in appreciation as he

pushed another finger inside and probed for my sweet spot.

I gyrated against his hand and grabbed his other hand with mine, pushing his thumb hard against my button. He pressed it down and that was enough to start me coming. Big waves of pleasure took over me, I was screaming out and gushing all over his hands. Aaron pushed yet another finger inside my tight snatch but still it wasn't enough. I wanted his dick, I wanted it real bad.

"Please, fuck me," I begged. Aaron asked if I was sure and I told him I'd never been more sure of anything in my life. His cock was ready and waiting, bouncing there between his legs, weeping a salty tear in anticipation. He pressed it to my hole and pushed in. My wet pussy opened to take in his head and gripped tight as he worked more of his meat in a little way at a time.

It felt so tight, I couldn't even believe that I could take it but I did, my virgin pussy giving way until he was buried deep inside me. He just lay still on top of me for a second, I could feel his dick twitching there against the very top of me. I told him it was okay and he started to gently rock in and out of my pussy, gathering speed with every stroke. I had to grip his ass just to feel like I could keep it together as he started getting faster, plowing in and out of me.

I loved his dick inside me. I was trembling and moaning with every stroke. I got over my shock of being entered for the first time and started to match his thrusts, lifting my hips to meet him and let him enter me fully. Aaron lowered his mouth to suck on my tits as he fucked me and it sent me over the edge. I came off like never had before. It was fucking amazing. I knew right then that he had converted me in to a sex freak. I was going to need it all the time.

I guess the way I was bucking and moaning underneath him was just too much for him to take. Aaron fucked me harder, deeper and was moaning loud

as he shot his load deep inside me. He pulled out and lay next to me.

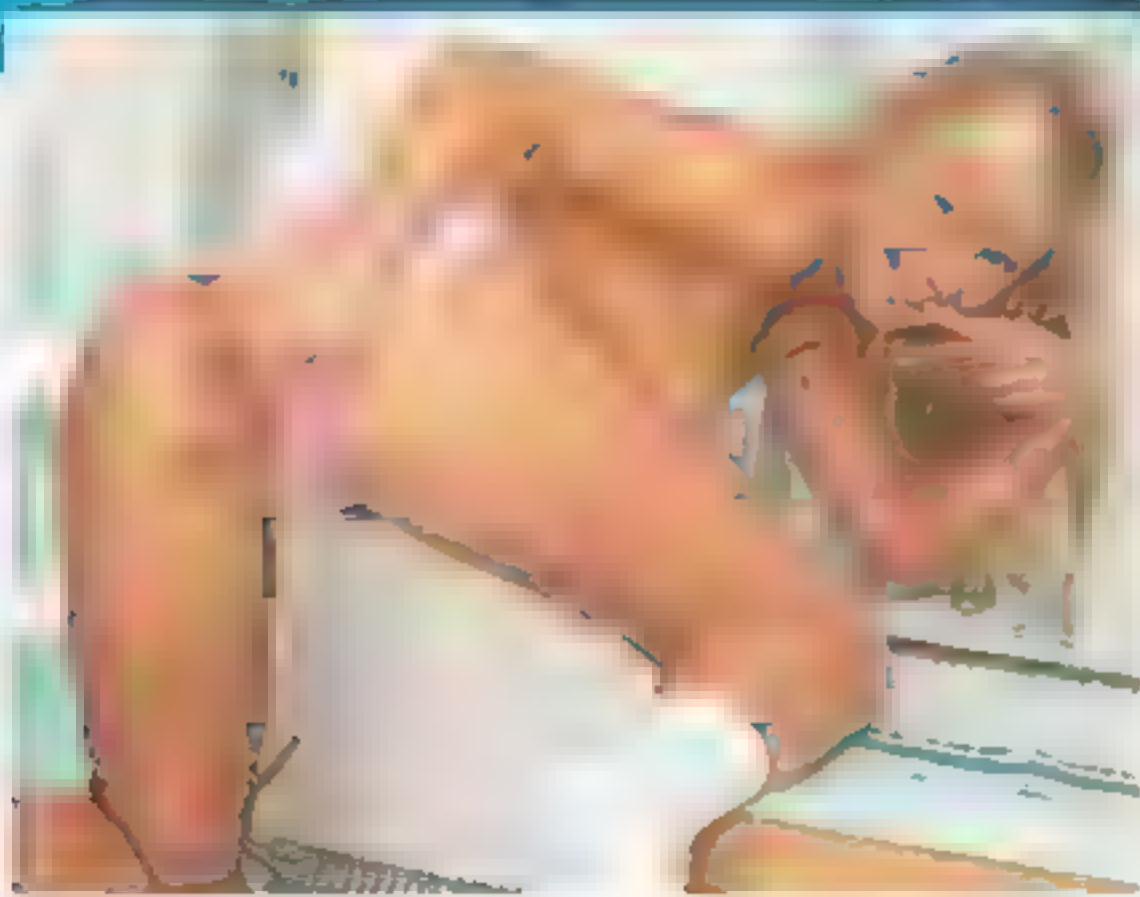

"Holy crap," he said, "That was amazing."

"U-huh," was all I could say. We lay there for a minute but then we heard someone calling Aaron's name. "I guess you'll be in deep shit if they find out what you just did, huh?"

"Yep," Aaron smiled, "I'd better go. Can I come round again sometime?" I told him he could, then watched him get dressed and leave. I just lay there in the heat thinking how fucking bizarre life was and enjoying the heat in my pussy. I wasn't a virgin anymore and you know what? I was glad. C

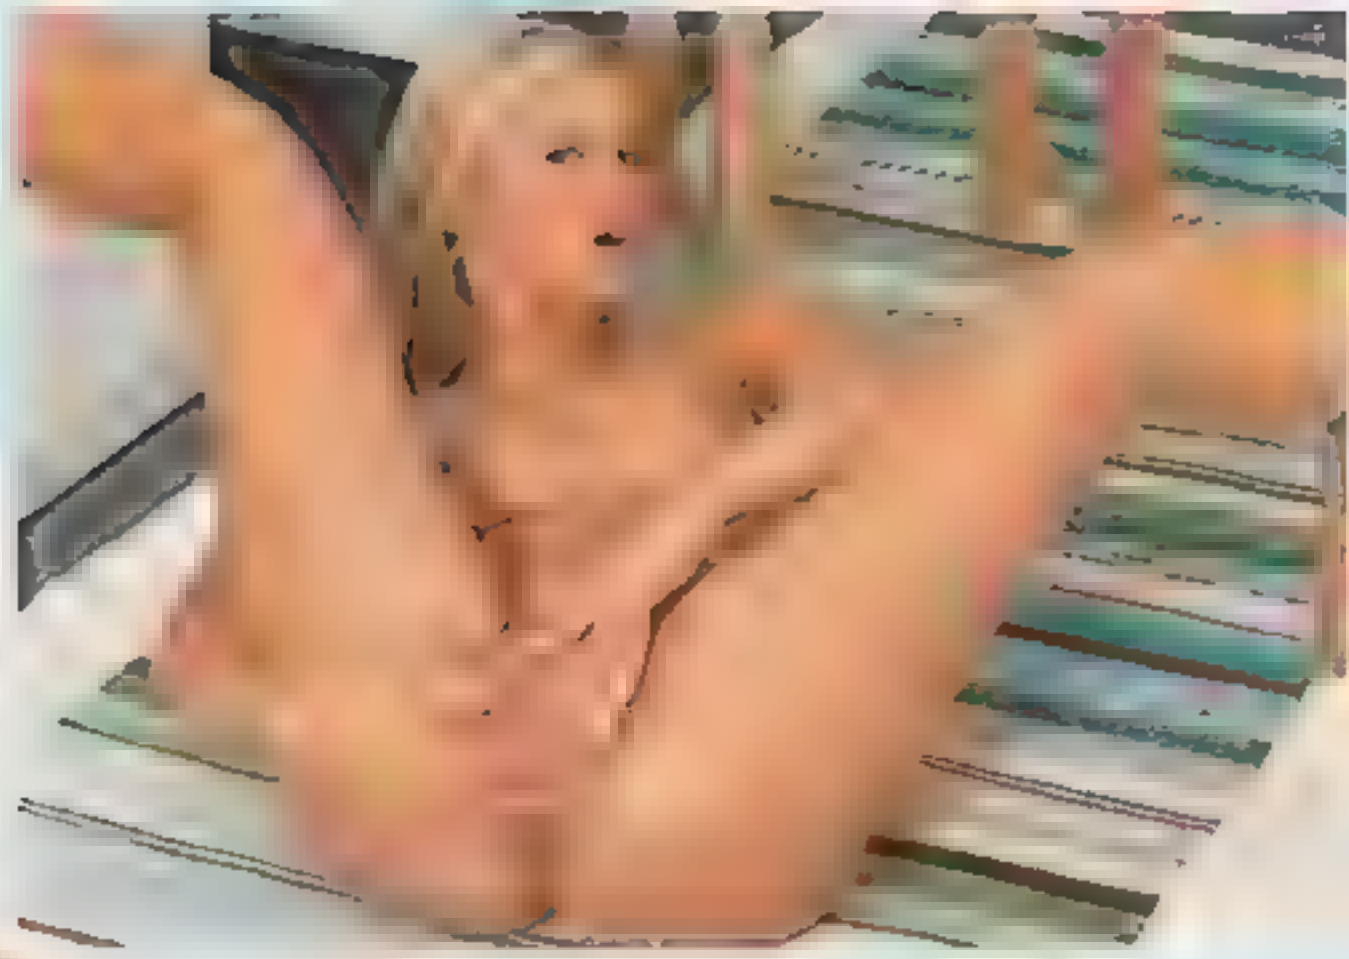

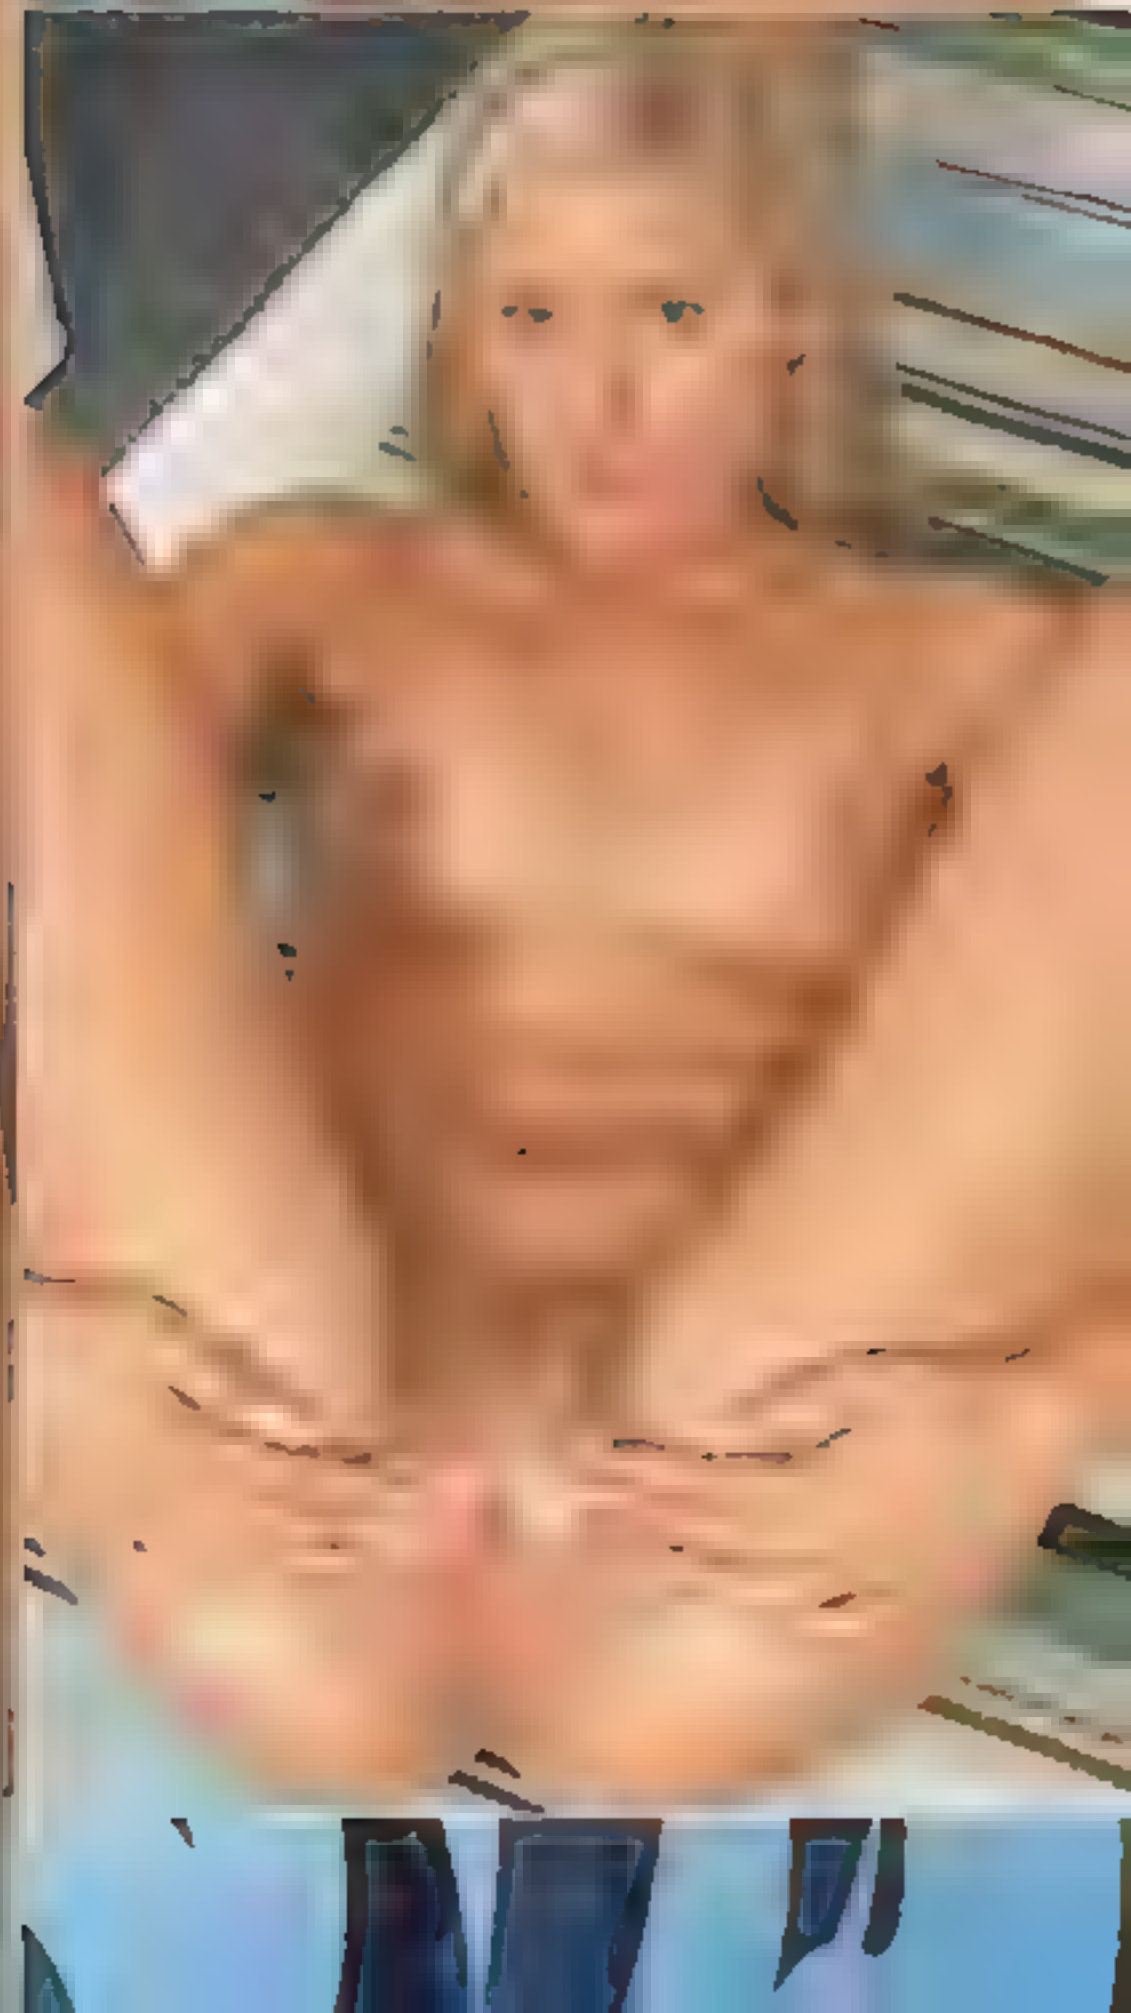

I can't go out every night of the week, even though I want to. Once in awhile I have to hit the books. So here I am trying to study, like a good little girl, except those naughty thoughts keep popping into my head. I'll just finger myself till I get off one time. A quickie, by hand. Or maybe my new toy—what do you think? I lie back, close my eyes, and let my mind float. I just go with the feeling of being fucked by a giant dick that never goes soft. It's almost better this way, when I'm by myself. I can control how fast or how slow, how long it takes to make me cum. And how many times I cum. Uh-oh. I think I'm going for a record here. Orgasm after orgasm. I can't seem to stop. I don't want to stop. I want to drain my pussy till there's no more cum left in me. Okay—so I didn't get any studying done. But the night is still young and now I'm relaxed. Maybe just one more orgasm before bed...
